announces the publication of

JORDAN A STATE OF TENSION —

By Benjamin Shwadran

A historical and archaeological survey of the territory from antiquity up to the end of 1958. The book treats the Arab revolt of 1916, the battles behind the apportioning of the spoils of World War I, King Abdullah's character and influence, his dream of Arab unity and his clashes with rival Arab leaders, the emergence of the Arab League, the war with Israel, the story of the Arab Legion, and conversion of the territory into a Hashimite kingdom.

A study of power politics in the Arab world, of Great Power bloc interests, and Arab nationalism.

Profusely illustrated. Maps, bibliography, index.

Price \$7.00

THE MIDDLE EAST, OIL AND THE GREAT POWERS

1959 — *By Benjamin Shwadran*

Revised and enlarged, bringing the Middle East oil story up to date.

From the original edition: oil companies' negotiations for concessions; pressures, profits and royalties; disposition of oil income by native rulers; production, marketing and transport statistics (up to date); appraisal of the oil industry's effect on the social patterns of the Middle East.

In the new edition: a penetrating analysis of the key role of oil in the major political crises since 1955 and evaluation of the outlook for the West vis-à-vis dependence on Middle East oil, exploitation, contracts, pipelines, nationalization by Arab states.

The Age of the Democratic Revolution: The Challenge

A Political History of Europe and America, 1760-1800

by R. R. PALMER

Shows how a general revolutionary and democratic movement swept Western Civilization from 1760 to 1800, how this cropped up in different ways and with varying degrees of success in different countries, and how it culminated in the American and French Revolutions. This book offers of a more wide-sweeping picture than has ever been available of monarchy versus republicanism, privilege versus equality, and aristocracy versus emerging democracy in the last four decades of the 18th century. This first volume, *The Challenge*, carries the story to 1791. It will be followed by a sequel, *The Struggle*, that will cover the period 1791 to 1800.
