INFORMATION FOR AUTHORS / MATERIALS FOR REVIEW

ARTICLES. Essays offered for publication should represent the author's original research, not previously published, and not under consideration for publication elsewhere. Manuscripts should be 10,000 words maximum (including footnotes and references) and submitted to the online system at <https://mc.manuscriptcentral.com/ytm>. All submissions are initially assessed by the editor. If felt to be suitable, they will then be passed on to referees, whose recommendations, along with the availability of space and an essay's agreement with the overall plan for a given issue, determine whether a paper is accepted. Authors are encouraged to send queries to *General Editor*, Lonán Ó Briain, Department of Music, University of Nottingham, University Park, Nottingham, NG7 2RD, UK; email: ytm-editor@ictmusic.org.

REVIEW MATERIALS. Books, periodicals, and other printed material for review should be sent to the *Book Review Editor*: Damascus Kafumbe, Department of Music, Middlebury College, Middlebury, VT 05753, USA; email: dkafumbe@middlebury.edu.

Audio recordings should be sent to the *Audio Review Editor*: Noel Lobley, Department of Music, University of Virginia, 112 Cabell Drive, Charlottesville, VA 22904, USA; email: njl8x@virginia.edu.

Films and videos for review should be sent to the *Film & Video Review Editor*: Michael B. MacDonald, Department of Music, MacEwan University, 10700 104 Avenue NW Edmonton, Alberta T5J 4S2, Canada; email: macdonaldm226@macewan.ca.

Links to multimedia sites appropriate for review should be sent to the *Multimedia Review Editor*: Cassandre Balosso-Bardin, Musicology, Leuven, Blijde-Inkomststraat 21 - box 3313 3000, Leuven, Belgium; email: cassandre.balosso-bardin@kuleuven.be.

SUBMISSION FORMAT. All manuscripts must be in English and should be sent in Microsoft Word formats (.doc, .docx). Please use 12 pt Times New Roman font, with double-spaced, left-aligned paragraphs. Italicise all occurrences of non-English words. Subheadings should be bold and on separate lines from the main text. Footnotes should be numbered consecutively with Arabic numerals throughout the paper, using the footnote feature of your word processor.

In-text citations use the author-date system of referencing (e.g., Dibura 1981), with full bibliographic references listed at the end of the paper. The list of references should contain bibliographic details, including the full name of all authors and editors. Please consult the style used in the current *Yearbook* and the *Chicago Manual of Style*. A detailed submission guideline may be downloaded

from the ICTMD website at <https://ictmd.org/publications/yearbook-for-traditional-music/submissions>.

Illustrations (photographs, diagrams, music and dance notations, maps, etc.) of publishable quality should be provided as separate computer files—they should not be included in the file containing the article's text. Computer files of photographs and maps should be supplied in both greyscale and colour (if applicable), saved in JPEG or TIFF format, minimally at 300 dpi at 100% size. Diagrams, line drawings, and musical examples should be supplied as black-and-white bitmap files in TIFF format at 1000 dpi at 100% size. The maximum dimensions of all illustrations are 19 cm height × 11.6 cm width, but they will very likely be reduced during typesetting. All illustrations and tables should be numbered consecutively in the order of their appearance in the paper and labelled "Figures" (e.g., Figure 1, Figure 2). Please provide captions for all figures; the submission should also contain in-text references to all figures. If illustrations cannot be provided as computer files, the hard copy supplied should be suitable for scanning and publication. In such cases, the hard copy must have figure numbers written in pencil on the reverse side. Authors are responsible for obtaining appropriate permissions for the use of any illustrations that are not their own creations. For more information about illustrations, please visit: <http://www.cambridge.org/core/services/authors/journals/journals-artwork-guide>.

All manuscripts must be accompanied by an English abstract within one hundred words and a brief biography of the author of no more than seventy words. Authors are also encouraged to supply an abstract of their article in the language of the subject matter. A glossary of non-English terms should accompany the submission whenever appropriate (please refer to the latest volume for examples).

Authors whose papers are accepted for publication are encouraged to make use of the Cambridge Core to upload materials meant to supplement printed articles in the journal. Authors are encouraged to make available for downloading any audio-visual recordings of the music and dance examples discussed in their articles. The general editor welcomes discussion over such details.

Members/subscribers of the International Council for Traditions of Music and Dance in good standing have access to the *Yearbook for Traditional Music* through Cambridge Core.
