The Classical Association

The objects of the Classical Association are to promote the development and maintain the well-being of classical studies, and in particular (a) to impress upon public opinion the claim of such studies to an eminent place in the national scheme of education; (b) to improve the practice of classical teaching; (c) to encourage investigation and call attention to new discoveries; (d) to create opportunities for intercourse among lovers of classical learning.

Membership of the Association is open to men and women alike. The annual subscription is 5s. (life composition, £5. 5s.). Members receive a copy of the annual *Proceedings* of the Association. They may also obtain the *Classical Review* and *Classical Quarterly* at reduced prices (*Review* 18s., *Quarterly* £1; combined subscription £1. 15s.), though the reduction cannot be guaranteed unless the subscription is paid before January 31st in each year. *Greece and Rome* may be obtained for an annual subscription of 14s.

Copies of the final issue of *The Year's Work in Classical Studies* (covering the years 1945-7) and of all the volumes for 1939-45 can still be obtained for 6s. each from Professor L. J. D. Richardson, University College, Cardiff, who can also supply most of the pre-war back numbers at 2s. 6d. per volume, post free.

Applications for membership should be addressed to the Hon. Treasurer, Mr. J. S. Shields, Queen Mary's School, Basingstoke, Hants. Inquiries should be sent to either of the Hon.
