### Publications

The JOURNAL of the Australian Mathematical Society began publication in 1959, and since 1975 has appeared in two series, Series A (Pure Mathematics) and Series B (Applied Mathematics). The Editors are:

(A) Professor J. B. Miller,  
Department of Mathematics,  
Monash University,  
Clayton, Victoria 3168, Australia.

(B) Professor J. J. Mahony,  
Department of Mathematics,  
University of Western Australia,  
Nedlands, WA 6009, Australia.

The BULLETIN of the Australian Mathematical Society began publication in 1969. Two volumes of three numbers each are published annually. Manuscripts for publication should be sent to the Editor:

Dr B. H. Neumann,  
Department of Mathematics,  
Institute of Advanced Studies,  
Australian National University,  
POB 4, Canberra, ACT 2600, Australia,

or to the Associate Editor, Dr L. G. Kovacs, at the same address.

The Australian Mathematical Society GAZETTE started publication in 1974, and carries news items, mathematical articles of general interest, and articles on tertiary mathematics teaching. Manuscripts for publication should be sent to the Editor at the

School of Mathematics,  
University of New South Wales,  
Kensington, NSW 2033, Australia.
