Philosophical Studies

An International Journal for Philosophy in the Analytic Tradition

Editor: Keith Lehrer, University of Rochester, Rochester, U.S.A.

Board of Consulting Editors: David Braybrooke, Joseph L. Camp, Jr., L. J. Cohen, James Cornman, Alan Donagan, Keith Donnellan, Mary Hesse, Risto Hilpinen, R. M. Martin, Terence Parsons, Günther Patzig, A. M. Quinton, Jerome Schneewind, Robert Sleigh, Jr., Judith Thomson.

Philosophical Studies fills the urgent and growing need for space devoted to quick publication of timely contributions to analytic philosophy. It emphasizes the rapid exchange of notes and criticism. To provide balance and scope the editors will, on occasion, solicit contributions, comments and elucidations from philosophers whose voices might not otherwise be heard when the spotlight of discussion points in their direction.

Philosophical Studies welcomes papers in all areas of analytic philosophy. It recognizes that there are divergent 'tendencies' within the analytic movement, and requires only that contributions represent an application of methods of analysis and clarification of meaning. Papers the content of which falls primarily within the scope of the natural, social or psychological disciplines will be considered only if this content is subordinated to the purposes of philosophical analysis.

Subscription price per volume of six issues Dfl. 90,- / US \$ 36.00 plus Dfl. 17,50 / US \$ 7.00 for postage and handling. Nine issues will be published yearly. Personal subscription price on request.
