

Demographics of the Profession

ANA DIAZ, ERIN MCGRATH | AMERICAN POLITICAL SCIENCE ASSOCIATION

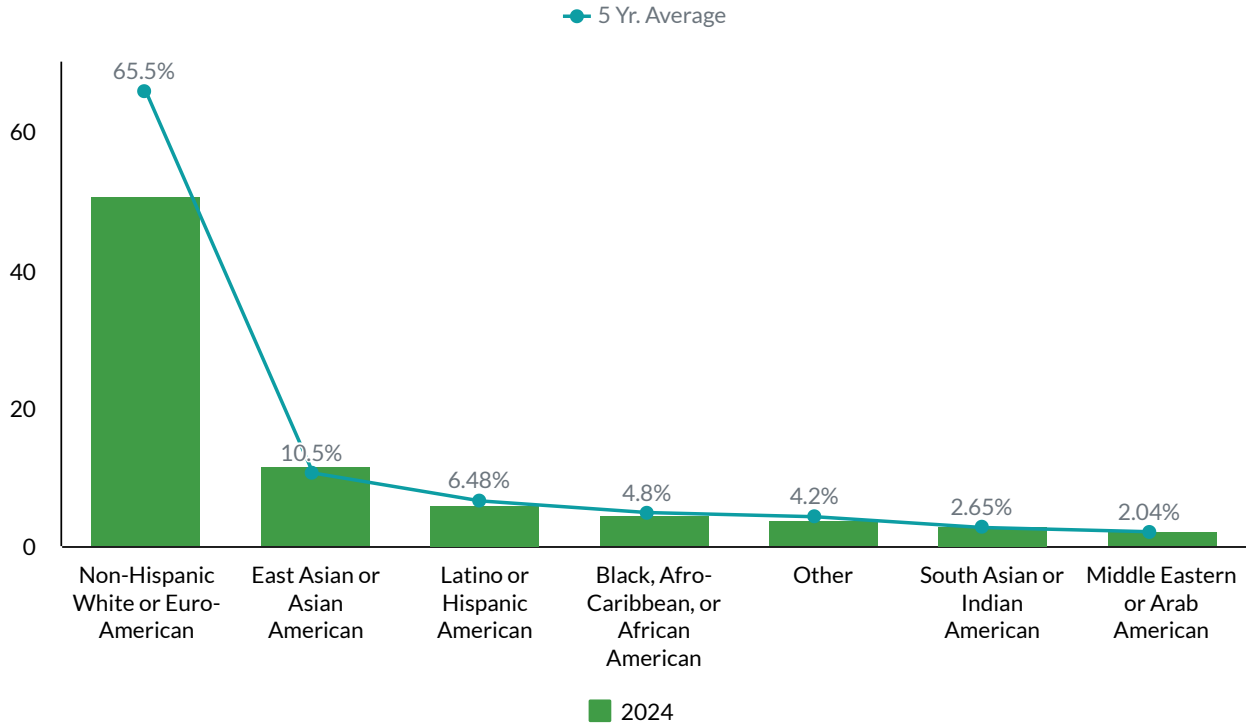

The American Political Science Association serves a diverse membership around the world. From 2015 onwards, APSA required members to opt in or opt out of providing demographic information. The main demographics provided by our members for 2024 are illustrated below, for any questions contact us at surveys@apsanet.org.

Figures 1 and 2:
(1) APSA Members in the World
& (2) Primary Field by Gender

***Percentages for the category "Other" are not included in this visualization, see APSA's Membership dashboard for more.

**Figures 3 and 4:
Race/Ethnicity of all APSA Membership as of 2024
& Age Range of All APSA Membership**

***Percentages for Native American or Alaskan Native (0.2%) are not included in this visualization. Units shown reflect percentages for a 5-year average of Race/Ethnicity for APSA Membership. Demographics are obtained from APSA's association management system (AMS) and are self-reported.
