# AUSTRALIAN BEHAVIOUR MODIFICATION ASSOCIATION

## AIMS

The Australian Behaviour Modification Association (ABMA) is a multidisciplinary professional society. The aims of the Association are:

- 1 To organise continuing education and training in the principles and practice of behaviour modification;
- 2 To publish and disseminate information to members about developments in behaviour modification in Australia and other countries;
- 3 To educate the community in the principles and ethical practice of behaviour modification;
- 4 To liaise and consult with other persons or organisations in the teaching and practice of behaviour modification;
- 5 To promote the ethical practice of behaviour modification by members;
- 6 To organise or assist in the organisation of an annual National Conference on Behaviour Modification.
