Philosophical Studies

An International Journal for Philosophy in the Analytic Tradition

Editor-in-chief: JOHN POLLOCK

ISSN 0031-8116

Associate Editor: KEITH LEHRER

Philosophical Studies, a journal devoted to work in analytic philosophy, publishes articles in all general areas of philosophical investigation, philosophy of science, epistemology, metaphysics, ethics, and so forth, including the history of philosophy. The main criterion of articles published is that they contain rigorous argumentation and precise analysis of key concepts. Articles in the journal are intelligible to philosophers whose expertise lies outside the subject matter of the article. It is intended that a diligent reader of the journal will be kept informed of the major problems and contributions of contemporary analytic philosophy.
