Elsevier WebShop's Language Services

Elsevier's Language Editing service offers professional English language editing for researchers preparing articles for publication in international scientific and medical journals.

Elsevier's PhD-level language editors have the expertise and editing experience necessary to ensure that your work is free of grammatical, spelling, and other common language errors before you submit, so that reviewers focus on the quality of your research rather than your language skills.

- ✓ Editing into proper scientific American or British English, by native speakers only
- ✓ PhD-level language editors, selected according to your field of study
- ✓ All work completed within 4 (short documents) or 7 business days
- ✓ Can be used for research papers, reports, books, PhD theses, grant applications, or Powerpoint presentations
- ✓ Exclusive Guarantee: free re-editing or money back

WebShop also offers:

Translation Services

Elsevier's translation services will ensure that your scientific or medical article or other technical documents are translated accurately and are free of language errors before you submit.

Currently available for: *Chinese, Spanish, Portuguese and 12 more languages*

Group Deals

Due to increasing demand from customers in research groups, university departments, and other research institutions, we have created **group deals which offer reduced prices** on bulk purchases for returning customers (or multiple customers at the same institution).

Our customers tell us that group deals have helped their budgets to go further, reduced their submission-to-publication times and positively impacted their research output – take advantage of these benefits for your own group!
