The **Association for the Study of Nationalities** would like to thank you for your past support, and we invite you to renew your membership for 2021. Your membership enables the ASN community to remain strong and continue its mission to advance scholarship in this important field. ASN is an inclusive scholarly **community** built on intellectual contributions of hundreds of members from all over the world. As a self-organizing association, our success depends primarily on a large and committed array of volunteer scholars who devote their time, energy, creative ideas, and efforts to push forward our mission.

Beyond access to ASN's flagship journal ***Nationalities Papers***, your membership dues contribute to programs that recognize and promote exceptional works of scholarship, including work by doctoral students.

Membership dues also support **#VirtualASN**, a global online academic platform linking scholars, students, and members of the broader public interested in questions of nationalism and ethnicity with a regional focus on Europe and Eurasia. While our first Virtual ASN events were open to the academic community at large, we also are planning year-round webinars, reading groups, and workshops that will be accessible only to ASN members.

**Thank you for your contributions to our community!**

# 3<sup>rd</sup> Annual Nationalities Papers Photo Contest

Our annual photo contest rewards scholars for the best photos from their fieldwork. These photos are judged in terms of their content, synthesis, and visually compelling insights about nationalism, ethnicity, or migration. The photo submissions should be accompanied by a brief description (300-500 words) of how the photo relates to the fieldwork of the applicant in particular and nationalism, ethnicity, or migration in general. This is the third year of the photo contest!

The contest is judged by a jury comprised of scholars from the editorial board of the journal and past awardees. The membership of the jury changes every year, and is led by the editor-in-chief and supported by the managing editor. The six prize-winning photographs will be featured on the cover of *Nationalities Papers*. Each photographer will be acknowledged in *Nationalities Papers*.

**On the Cover.** Photo taken by Maryia Rohava: "Members of the Belarusian Republican Youth Union prepare for their participation in the Victory Day parade in Minsk on May 9, 2015. Young people wear red-green ribbons, the colors of the Belarusian state flag, with an apple blossom in the center, and hold flags with the symbol and the slogan "Flowers of the Great Victory." President Alyaksandr Lukashenka's government has used the Victory Day parade in Minsk to promote state symbols and display public support for his autocratic leadership. In response to political protests after the contested presidential election in August 2020, Lukashenka repressed political opponents and protesters and launched a crusade against public displays of protest symbols, especially the white-red-white flag used by demonstrators. The Belarus of 2015 might seem a world away. But when taking this photo of young people backstage, I was interested in how convincing these symbols and performances were for them. Belarus after August 2020 has given us some answers."
