EARTH SCIENCES

Volume 89 Part 3

PUBLISHED BY THE RSE SCOTLAND FOUNDATION

22–26 GEORGE STREET · EDINBURGH · EH2 2PQ

1999 (for 1998)

The Royal Society of Edinburgh is committed to the widespread dissemination of scientific knowledge. Through the *Transactions of the Royal Society of Edinburgh: Earth Sciences*, the Society continues to encourage and support the international Earth Sciences community by:

- publishing a journal of international standing and authorship;
- publishing substantial papers on all scientific aspects of the solid earth and its surfaces;
- publishing without page charges;
- reproducing photographs and artwork to the highest standard, where appropriate at a size larger than is customary; and
- having papers reviewed by two referees of international standing within three months, and usually publishing within six months of receipt of revised papers.
