These *Archaeological Reports* are published by the Hellenic Society and the British School at Athens for their subscribers. In their new form they are also offered for sale to the public (obtainable from The Editor (Reports), Hellenic Society, 31-34 Gordon Square, W.C.1, price 8/6, postage paid). 'Archaeology in Greece' is an annual feature, and the scope of the occasional reports on work in other parts of the Greek world has been widened to include the Black Sea, Asia Minor (this year), Italy and Sicily, Cyprus, etc. In addition there are regular bulletins illustrating new acquisitions by museums in Great Britain.

The picture on the cover is of a Mycenaean toy chariot from Mega Monasterion, Thessaly. See p. 20.
