## CONTROL PRACTITIONER

We are a **280-bed**, acute care hospital seeking an experienced Infection Control Practitioner.

Providing leadership and clinical expertise, the independent worker we seek will be a role model to staff and community, and will take a proactive part in handling special research projects and educational programs. To qualify, you should have a background coordinating infection control programs, have at least one year **IC** experience, current CA RN license, and a BSN. Infection Control certificate preferred.

We offer a superior central California location with a reasonable cost of living. Visalia is near many recreational and cultural amenities, including Sequoia and Kings Canyon National Parks. Our highly competitive compensation package includes CE support, membership in **APIC** and the satisfaction of knowing **you** are an integral part of an excellent healthcare team.

For further details, call Karen Kline, RN, **Director of Education and Resources**, collect at (209) 6267802, or apply to Kawaah **Delta** District Hospital, 400 **West** Mineral King, Visalia. CA 93291.

**P**rotection. The key to our superior glove line. At Johnson & Johnson Medical, Inc., we have a reputation that spans more than 20 years — years dedicated to the research and development of quality gloves that provide maximum protection, optimum fit and excellent touch sensitivity.

We engineer quality into every aspect of our gloves beginning with 100 percent on-line visual inspection of all latex gloves, and quality standards that far exceed those required by the FDA.

Our protective lines include NEUTRALON® Brown Surgical Gloves, MICRO-TOUCH® Latex Surgical Gloves, MICRO-TOUCH® Latex Medical Gloves, DISPOS-A-GLOVE® Examination Gloves and both the new MAXXUS® Orthopaedic Surgical Gloves, and the longer cuff MICRO-TOUCH® XP Latex Medical Gloves.

Protection and Johnson & Johnson Medical, Inc. — an unbeatable combination.
