Cross-Border Infringement of Personality Rights via the Internet

A Resolution of the Institute of International Law

Symeon C. Symeonides

Conflicts of laws arising from injuries to rights of personality have always been difficult. This book explores the ways in which various Western countries have addressed these conflicts, but also advances new, practical ideas, which are part of an international model law unanimously adopted by a Resolution of the Institut de droit international, about how these conflicts *should* be resolved.
