# Primary Health Care Research & Development

## Editors-in-Chief

Sally Kendall, University of Hertfordshire, UK  
Rosamund Bryar, City University, UK

*Primary Health Care Research & Development* is the first journal aimed specifically at both researchers and practitioners in primary health care, bridging the gap between the two areas. It provides a forum for the publication of international, interdisciplinary research and development in primary health care. The journal is essential reading for all involved in primary care: nurse practitioners, GPs and Health Service managers; professional and local groups in community health; researchers and academics; purchasers of primary health care services; allied health practitioners in secondary services and health-related consumer groups.
