SEVENTH BRITISH ACADEMIC CONFERENCE

GLASGOW 1987

POSTERS

Participants are invited to submit applications to mount a poster display as part of the Scientific Exhibition at the above Conference. Depending on the number of submissions it may be necessary for the Academic Committee to limit the number of posters displayed.

Correspondingly it is requested that an abstract of what it is intended to demonstrate should accompany the application, along the following lines:

- Name, address and academic position of applicant.
- Abstract of poster, written in English, in not more than 250 words.
- All to be typed on *one* side of paper (A4 preferably).
- To be sent to Mr G. G. Browning, University of Glasgow, Department of Otolaryngology, Royal Infirmary, Glasgow G4 0SF so that it is in his hands by 31 March, 1987.

The Academic Committee will inform applicants by 30 April, 1987 of whether space allows inclusion of their poster. Full details of the display system, siting and timing will be made at that time, but the module size of the background cards for display will be A1 (841×594 mm) with a maximum of 6 per applicant/poster.
