

Proceedings of the Nutrition Society

ISSN: 0029-6651 Volume 68 November 2009

Symposia featured in this issue:

Frontiers in adipose tissue biology

Early nutrition and later disease: current concepts, research and implications

Young people, artificial nutrition and transitional care

CELLULAR AND MOLECULAR
NUTRITION

NUTRIGENOMICS

FOOD CHAIN, ANIMALS AND
PLANTS

CLINICAL NUTRITION AND
WHOLE BODY METABOLISM

NUTRITIONAL EPIDEMIOLOGY
AND PUBLIC HEALTH

PUBLIC ENGAGEMENT

INTERNATIONAL NUTRITION

REPRODUCTION AND
CHILD HEALTH

SPORTS AND EXERCISE
NUTRITION

Proceedings of the Nutrition Society

Volume 68, 2009 ISSN: 0029-6651

Aims and Scope

Proceedings of the Nutrition Society publishes papers and abstracts presented by members and invited speakers at the scientific meetings of The Nutrition Society.

Coverage includes

- Cellular and molecular nutrition (including immunology)
- Nutritional genomics
- Nutrition and the food chain
- Clinical nutrition and metabolism
- Obesity and body composition
- Infant nutrition
- Diet selection and control of intake
- Nutrition and behaviour
- Reproduction, growth and development
- Public health nutrition
- Nutrition policy
- Sports and exercise nutrition
- Animal nutrition and metabolism
- Molecular aspects of nutrition
- Functional foods
- Macronutrient metabolism
- Micronutrients and antioxidants
- Companion animal nutrition
- Epidemiology

The *Proceedings of the Nutrition Society* is published five times a year by Cambridge University Press on behalf of the Nutrition Society. Symposium papers are published in February, May, August and November and are available as hard copy or electronically; Original Communications from individual meetings are published electronically only and comprise an OCE issue.

The journal is available on the Internet at: journals.cambridge.org/pns

Honorary Editorial Board and Programmes Committee

M Symonds
Chair

C J Newbold
Proceedings Editor

C J Seal
Scientific Development Officer

H J McArdle
Treasurer

C N M Kelly
Deputy Proceedings Editor

D Bender
Publications Officer

E Gibney
Irish Section Secretary

K R Westerterp
Assistant Proceedings Editor

D Sewell
Scottish Section Secretary

M Bonham
M McKinley
Irish Section Editors

M Ritchie
Scottish Section Editor

Publications Staff

C Goodstein
Publications Manager

C Jackson
Deputy Publications Manager

C T Hughes
Sub-editor

J Norton, L Weeks and H Zdravics
Publications Officers

The Nutrition Society has as its objectives the advancement of the scientific study of nutrition and its application to the maintenance of human and animal health.

Honorary Officers of The Society

I A Macdonald
President

C Summerbell
Secretary

H J McArdle
Treasurer

M Symonds
Programmes Secretary

B Ratcliffe
External Relations

D Bender
Publications

C J Seal
Scientific Development

S Lloyd
Professional Affairs

Application for membership is open to any person who has a genuine interest in the science of human or animal nutrition and its application to human or animal health. Reduced subscriptions are available to full-time student members within 2 years of graduation and retired members, the unwaged and members who reside in very low income countries.

For more information about membership benefits and for membership application forms, contact The Nutrition Society, 10 Cambridge Court, 210 Shepherds Bush Road, London, W6 7NJ, UK. Tel: +44 (0)20 7605 6555, Fax: +44 (0)20 7602 1756, Email: office@nutsoc.org.uk

Contents

Editorial

C. J. Newbold

339

Royal Society of Edinburgh, Edinburgh, UK, 7–8 April 2009

Symposium on ‘Frontiers in adipose tissue biology’

Chair: P. Trayhurn, University of Liverpool, Liverpool, UK

Reversible physiological transdifferentiation in the adipose organ

S. Cinti

340–349

Regulation of adipose tissue lipolysis revisited

V. Bézaire & D. Langin

350–360

n-3 PUFA: bioavailability and modulation of adipose tissue function

J. Kopecky, M. Rossmeisl, P. Flachs, O. Kuda, P. Brauner, Z. Jilkova, B. Stankova, E. Tvrzicka & M. Bryhn

361–369

Cellular hypoxia and adipose tissue dysfunction in obesity

I. S. Wood, F. Pérez de Heredia, B. Wang & P. Trayhurn

370–377

Chair: D. Sewell, Heriot-Watt University, Edinburgh, UK

Chemotactic cytokines, obesity and type 2 diabetes: *in vivo* and *in vitro* evidence for a possible causal correlation?

H. Sell & J. Eckel

378–384

New insights into adipose tissue atrophy in cancer cachexia

C. Bing & P. Trayhurn

385–392

Early programming of adipose tissue function: a large-animal perspective

A. Mostyn & M. E. Symonds

393–400

Thermogenesis challenges the adipostat hypothesis for body-weight control

B. Cannon & J. Nedergaard

401–407

Centro de Convenções e Eventos Frei Caneca, São Paulo, Brazil, 2–4 October 2008

Symposium on ‘Early nutrition and later disease: current concepts, research and implications’

Chair: B. S. Agostini, Núcleo, São Paulo, Brazil

New insights into nutrition and cognitive neuroscience

M. J. Dauncey

408–415

The impact of diet during early life and its contribution to later disease: critical checkpoints in development and their long-term consequences for metabolic health

M. E. Symonds, S. P. Sebert & H. Budge

416–421

Early nutrition and long-term health: a practical approach

J. Lanigan and A. Singhal

422–429

Harrogate International Centre, Harrogate, UK, 4–5 November 2008

Conference on ‘Malnutrition matters’

Symposium 6: Young people, artificial nutrition and transitional care

Chair: M. Stroud, *Institute of Nutrition, University of Southampton, Southampton, UK*

The nutritional challenges of the young adult with cystic fibrosis: transition

A. M. Morton

430–440

Transition in young people on home parenteral nutrition

S. Protheroe

441–445

Forthcoming topics to be featured in *Proceedings of the Nutrition Society* for 2010 (vol. 69):

February/May issues

- Dietary management of disease
(Above proceedings were presented at the NS meeting at Queen's University, Belfast, June 2009)
- Overnutrition: consequences and solutions
- Modern approaches to nutritional research challenges
- Geographical and geological influences on nutrition
- Gut function: effects of over- and undernutrition
- Plenary Lectures
- Nutrition Society Medal Lecture
- Postgraduate Symposium
(Above proceedings were presented at the NS meeting at University of Surrey, Guildford, UK, June 2009)

August/November issues

- Malnutrition matters
(Above proceedings to be presented at the BAPEN meeting in Cardiff, UK, October 2009)
- 3rd International Immunonutrition Workshop
(Above proceedings to be presented at the 3rd International Immunonutrition Workshop in Gerona, Spain, October 2009)
- Food supply and quality in a climate-changed world
(Above proceedings to be presented at the NS meeting at University of Reading, Reading, UK, December 2009)

- The epidemiological and nutritional transition in developing countries: accelerating progress for nutrition in Africa
(Above proceedings were presented at the ANEC III conference in Cairo, Egypt, October 2008)

OC electronic issue

- Malnutrition matters
(Above proceedings to be presented at the BAPEN meeting in Cardiff, UK, October 2009)
- 3rd International Immunonutrition Workshop
(Above proceedings to be presented at the 3rd International Immunonutrition Workshop in Gerona, Spain, October 2009)
- Food supply and quality in a climate-changed world
(Above proceedings to be presented at the NS meeting at University of Reading, Reading, UK, December 2009)
- Nutrition: getting the balance right in 2010
(Above proceedings to be presented at NS meeting at University of Ulster, Coleraine on 16–18 June 2010)
- Nutrition and health: cell to community
(Above proceedings to be presented at the NS meeting at Heriot-Watt University, Edinburgh, 28 June–1 July)

Editorial Assistant: Katherine Cameron

Special sales:

This journal accepts advertisements and inserts. We also provide bulk reprints of suitable papers to meet teaching or promotional requirements. Please contact Katy Christomanou at Cambridge University Press for further details.

Subscription information:

Proceedings of the Nutrition Society is an international journal published by Cambridge University Press on behalf of The Nutrition Society as five issues per year. Symposium papers are published in February, May, August and November; Original Communications are published online (OCA/OCB).

Annual subscription rates:

Volume 68, 2009 (4 issues):

Internet/print package: £431/\$840 Americas only/
€688 EU only

Internet only: £373/\$727 Americas only/€583 EU only

Japanese Agent: Maruzen Company Ltd, PO Box 5050,
Tokyo International, 100-31, Japan.

Back volumes are available. Please contact Cambridge University Press for further information.

Claims for non-receipt of journal issues will be considered on their merit and only if the claim is received within six months of publication. Replacement copies supplied after this date will be chargeable.

Despatch: deliveries outside the UK are by ASP Print-flow Airsaver unless other arrangements are made.

Customers requiring airmail delivery should indicate clearly their requirements and add an additional 10% to the relevant subscription price.

US POSTMASTERS: please send address corrections to *Proceedings of the Nutrition Society*, Cambridge University Press at the New York address.

Directions to Contributors are available from the Society at the address below or can be found on the Society's website at <http://www.nutritionociety.org> (concise Directions to Contributors can be found inside the back cover).

Offprints: The authors (or main author) of an accepted paper will receive a free PDF file of their paper. Paper offprints are available for a fee and should be ordered at proof stage. No page charges are levied by this journal.

Copyright: As of July 2000 the copyright of all articles submitted to the *Proceedings of the Nutrition Society* is retained by the authors or their institutions. For articles prior to this date permission for reproduction of any part of the journal (text, figures, tables or other matter) in any form (on paper, microfiche or electronically) should be sought directly from the Society, at: The Publications Office, The Nutrition Society, 10 Cambridge Court, 210 Shepherds Bush Road, London W6 7NJ, UK.
