*The British Association for American Studies* was founded in 1955 to promote the study of the United States within the United Kingdom. It welcomes applications for membership from people interested in the history, society, government and politics, economics, geography, literature and thought of the United States. It publishes a Newsletter twice yearly, holds an Annual Conference, and provides other services for its members from time to time. Enquiries concerning current subscription rates and applications for membership should be addressed to the Secretary, Mr. Alan Graham, Department of Modern History, The Queen's University of Belfast, Belfast, Northern Ireland, BT7 1NN.

*The Journal of American Studies* publishes work on American history, institutions, politics, geography, literature and related subjects. Articles which cross conventional borders between disciplines are particularly welcome, as are comparative studies of American and other cultures. It also disseminates information about work in progress and provides a platform for the exchange of scholarly information and opinion. Contributors need not be members of the British Association for American Studies.
