Space Law

Basic Legal Documents – Instalment 4

edited by **Karl-Heinz Böckstiegel, Marietta Benkö**

Instalment 4 of *Space Law: Basic Documents* represents an update of Volume 1 in response to new developments in international space law.

The lists of the status of the international instruments contained in Volume 1 and the basic literature lists at the end of every chapter have been updated and the following changes have been made.

Direct Broadcasting by Satellite and Communication: European Convention on Transfrontier Television (1989) and EC Council Directive on the Coordination of Certain Provisions Laid Down by Law, Regulation or Administrative Action in Member States Concerning the Pursuit of Television Broadcasting Activities (1989) now incorporated. Previous Report on a Framework ... deleted.

Judgment of the EC Court of Justice of April 16, 1988 added.

The Protection of the Environment and the Use of Nuclear Power Sources in Outer Space: Joint Proposal of US and Soviet Scientists to Ban Nuclear Power in Earth Orbit (1988) and COSPAR/IAF Report on Environmental Effects of Space Activities (1988) now incorporated. Previous COSPAR Study of 1984 and COSPAR Status Report No. 11 of 1987 deleted.

The Use of Outer Space for Peaceful Purposes and Disarmament: 1988 and 1989 Resolutions on the Prevention of an Arms Race in Outer Space added. Recommendations of the Western European Union (1987) and (1988) on European Space Policy until the year 2000 and on Scientific and Technical Aspects of Arms Control Verification by Satellite also included.
