The other contributors

This is the last issue to which David Rodgers, Ray Offord, Celia Ashcroft, Sue Hogg, Pat Harper, Juanita Bullough and many others at Manchester University Press will have contributed. Over the years their skill and patience have helped hugely to keep *AFRICA* accurate, elegant, on time and (relatively) cheap. As Editor I especially wish to thank them, but I am sure that very many, whether as subscribers and readers or as authors of articles and reviews, have appreciated their, until now anonymous, contributions these last nine years and join me in formally giving recognition here to their sustained professionalism.

Corrigendum in *Africa* Vol. 60 No. 2 1990

In the article by M. G. Smith and Mary F. Smith on Tarok *kyanship*, line 13 of Table 1 on p. 245 should read:

KIKA (Woman speaking only) ZDS, ZDD

The 'ZSS, ZSD' now omitted from this line should be inserted in line 7 of Table 1 after 'BSS, BSD'.
