

**TRANSNATIONAL TORTILLAS**  
*Race, Gender, and Shop-Floor Politics in Mexico and the United States*

**CAROLINA BANK MUÑOZ**

“Bank Muñoz’s rich ethnographic fieldwork in two tortilla factories, one in Mexico and the other in the United States, has produced an extremely well crafted, highly accessible book on the role of state policy, race, gender, and immigration status in the labor process and, more precisely, labor control. The author of this must-read book for labor and immigration scholars and activists, provides a well-researched and convincingly argued analysis of how managers employ an ‘immigration regime’ on one side of the border and a ‘gender regime’ on the other to discipline labor.”

## CORRECTION

In *LARR* volume 43 number 3, 2008, the abstract for Kent Eaton’s article, “Paradoxes of Police Reform: Federalism, Parties, and Civil Society in Argentina’s Public Security Crisis,” page 5, should have read:

*Abstract: This article focuses on three central impediments to police reform in Argentina, each of which has generated an important, yet distinct, paradox. First, although advocates of federalism argue that it facilitates innovation, in practice police reform efforts at one level of government in Argentina have been sabotaged by officials at other levels of government. Second, although electoral pressures have pushed police reform onto the policy agenda, these same pressures have also obstructed reform efforts because politicians depend on illicit party-police networks for campaign financing. Third, despite copious evidence of police involvement in criminal acts, Argentina’s crime wave has energized conservative civil society groups whose demand for a heavy-handed response to crime has derailed the most promising attempts to restructure the police force.*

## Global History Series

*Under the series editorship of  
Kyle Longley, Arizona State University*

### **Mexican Mosaic: A Brief History of Mexico**

Jürgen Buchenau, *University of North Carolina, Charlotte*

The most concise introduction to Mexican history on the market, this new book emphasizes two major themes as organizing principles: Mexico in the global community, and the negotiation of power. In keeping with the overarching purpose of the Global History Series, *Mexican Mosaic* analyzes the way Mexicans interacted with the rest of the outside world. As political leaders, soldiers, consumers, entrepreneurs, and migrants—indeed, in all aspects of their lives—Mexican men and women have increasingly confronted global influences, by no means limited to their interrelationships with the culture and economy of their powerful neighbors to the north. The second theme analyzes the way Mexicans have contested and negotiated their place in a society marked by great social differences, limited access to political power, impartial justice, and repeated upheaval. Though this volume focuses on political and economic history, colorful anecdotes and brief biographical sketches give readers an appreciation of Mexico's cultural and social history, specifically of how ordinary Mexicans lived, making *Mexican Mosaic* the ideal core text for undergraduates of all levels and insightful and supplementary reading for survey courses in Latin American, World, and Diplomatic history. 160 pages. includes photographs, maps, bibliographical essay, and index. paperback, \$16.95 (ISBN: 978-0-88295-263-5) © 2008.

### **Cuba Libre: A Brief History of Cuba**

Paul J. Dosal, *University of South Florida*

With its selection of facts and figures and steadily paced storyline, this succinct and lively history of Cuba, from first contact with Europeans to the present, will appeal to students and instructors alike as interesting and informative reading for the Latin American, World, or U.S. History surveys as well as more-specialized courses in Cuban history or Latin American–U.S. relations. 178 pages. Includes Photographs, Maps, Bibliographical Essay, and Index. Paperback, \$14.95 (ISBN: 978-0-88295-246-8) © 2006.

## New from Stanford University Press

### Dilemmas of Modernity *Bolivian Encounters with Law and Liberalism*

MARK GOODALE

“Goodale’s examination of law and liberalism in Bolivia makes a compelling argument: that the social and political revolution underway in contemporary Bolivia, which seems to be a rejection of liberal strategies of the past decades, is in fact a renewal of the values of liberalism. Clear and often lyrical, this is an interesting and original contribution to the literature on Bolivia.”

—Nancy Postero,

University of California, San Diego

## COPPER WORKERS, INTERNATIONAL BUSINESS, AND DOMESTIC POLITICS IN COLD WAR CHILE

Angela Vergara

"Vergara provides an easy-to-read and exhaustively researched account of the negotiations among labor unions, U.S. capital, and the state in Chile's strategic copper sector during the critical Cold War era. She demonstrates how outlawing of the Communist Party and mounting political conflict over the power of foreign capital shaped labor relations and the copper industry. An important contribution to our understanding of nationalism, state policies, and transnational capital."

—Karin Roseblatt,  
Syracuse University

240 pages | 6 illustrations/2 maps  
\$60.00 cloth

## LAND, PROTEST, AND POLITICS

THE LANDLESS MOVEMENT  
AND THE STRUGGLE FOR  
AGRARIAN REFORM IN  
BRAZIL

Gabriel Ondetti

"The Brazilian landless workers' movement has become an iconic social movement of the turn of the century. *Land, Protest, and Politics* provides an excellent overview of its origins and subsequent development. Ondetti brings theoretical rigor to the study of this important movement, making a compelling argument that the movement's changing political opportunities were most important for shaping its comparative success."

—Kathryn Hochstetler,  
University of New Mexico

304 pages | 1 map | cloth: \$60.00 cloth

## LEGALIZING TRANSNATIONAL ACTIVISM

THE STRUGGLE TO GAIN  
SOCIAL CHANGE FROM  
NAFTA'S CITIZEN PETITIONS

Jonathan Graubart

"Within the 152 pages of this densely-argued and richly documented book, Graubart has effectively challenged both international lawyers and social movement scholars (not to mention political scientists) to take more seriously the incremental effects of soft-law on state legal autonomy in the hard times of international globalization. That is an achievement that social movement scholars who doubt the importance of the political process in the emergence and outcomes of contentious politics will need to contend with."

—Sidney Tarrow, *Mobilization*

184 pages | \$45.00 cloth

Cover: Ignacio Manuel Altamirano superimposed on a map of the state of Morelos, Mexico.

***El Zarco, The Blue-eyed Bandit will steal readers' hearts.*** Nineteenth-century Mexico comes alive in this elegantly crafted melodrama, a bridge to understanding the period's traditional gender roles, its stark moral divides, and, particularly, its harsh racial hierarchies. . . . Altamirano's novel provides a paradigmatic example, made wonderfully accessible by Christ's translation and Christopher Conway's introduction. ***Not to be missed!***

—**John Charles Chasteen**, University of North Carolina, Chapel Hill

. . . ***El Zarco is thrillingly indispensable***, while *maestro* Altamirano, a patriotic institution in Mexico, embodies the rare combination of a full-blooded Indian, active warrior, crusading legislator, teacher, and inspiring writer, who devoted himself to cultivating . . . a national literature to speak across political and racial lines and establish a truly indigenous culture. ***I teach El Zarco with pleasure in my classes and I strongly recommend this foundational novel to teachers and students***, to readers of all sorts, especially in Ronald Christ's respectful and elegant translation based on Manuel Sol's definitive edition.

—**Doris Sommer**, Harvard University

*Copying Beyond Fair Use:* Authorization to photocopy items for the internal or personal use of specific clients is granted by the Latin American Studies Association, provided that the appropriate fee is paid directly to the Copyright Clearance Center. Prior to photocopying items for educational classroom use, please contact the Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 01923, (978) 750-8400, <http://www.copyright.com>. To request permission for other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale, kindly write to the Latin American Studies Association, University of Pittsburgh, 416 Bellefield Hall, Pittsburgh, PA 15260. You may contact the LASA by phone (412-648-7929) or fax (412-624-7145) or email ([lasa@pitt.edu](mailto:lasa@pitt.edu)).

*Instructions to Authors:* See the LARR home page for submission information (<http://lasa.international.pitt.edu/LARR/index.asp>). Address all correspondence to the Executive Editor, *Latin American Research Review*, LARR Editorial Office, McGill University, 3715 Peel Street, Montreal, Quebec H3A 1X1. Manuscripts should be unpublished in any language and should not be under consideration for publication by any other journal. Please submit all submissions electronically to [larr.editorial@mcgill.ca](mailto:larr.editorial@mcgill.ca). All material should be typed double-spaced, with notes separately at the end of the manuscript. Manuscripts should not exceed **10,000 words**, including references, notes, and tables/figures. Please provide a word count including footnotes, endnotes, and references. Papers that significantly exceed the 10,000-word limit will not be considered for review. Tables and figurative material should be kept to a minimum. Each page should be counted as the equivalent of 250 words to be included in the overall word count. Include an abstract of not more than 250 words. For all matters of style, especially format for footnotes and reference lists, please consult the LARR website's Style Guide.

LARR is published three times a year, Spring/Summer/Fall by the Latin American Studies Association. All views or conclusions are those of the authors of the articles and not necessarily those of the editors, the Latin American Studies Association, the University of Pittsburgh Press, the University of Pittsburgh, or the University of Pittsburgh System.

*Change of Address:* Standard A Postage Paid at Ann Arbor, MI. POSTMASTER: Send address changes to Latin American Studies Association, University of Pittsburgh, 416 Bellefield Hall, Pittsburgh, PA 15260.

Editorial and production services for LARR are provided by the University of Pittsburgh Press, Eureka Building, Fifth Floor, 3400 Forbes Avenue, Pittsburgh, PA 15260.

The *Latin American Research Review* is the official journal of the Latin American Studies Association and is published to achieve greater and more systematic communication among individuals, institutions, and organizations concerned with scholarly studies and disseminating knowledge relating to Latin America.

The *Latin American Research Review* was founded with the support of contributions from a number of sponsoring institutions acknowledged in past issues of LARR, and from a supplementary grant from the Andrew W. Mellon Foundation (for LARR Online).

*Membership* in the Latin American Studies Association includes a subscription to the *Latin American Research Review*. Dues for calendar year 2008 and three-year rates are listed below. Checks for membership should be made payable to LASA and sent to LASA, 416 Bellefield Hall, University of Pittsburgh, Pittsburgh, PA 15260. Payment may be in the form of a check in U.S. dollars drawn on a U.S. bank, a money order in U.S. dollars, or a traveler's check in U.S. dollars *with signatures on both lines* made out to LASA. LASA also accepts Visa and MasterCard. **To become a member or renew your membership online, please visit [http://lasa.international.pitt.edu/membership\\_new.html](http://lasa.international.pitt.edu/membership_new.html). Membership forms can also be obtained by contacting our office—telephone (412) 648-7929; fax (412) 624-7145; e-mail [lasa@pitt.edu](mailto:lasa@pitt.edu)**

Institutional Members (nonprofit), \$180.00; Institutional Members (profit), \$300.00. Latin American Institutions (nonprofit), \$85, Latin American Institutions (profit), \$150.
