## THE AMERICAN SOCIETY OF INTERNATIONAL LAW

The Society is a professional association devoted to the study and use of law in international affairs. Membership is open to people of all nations, lawyers and non-lawyers, who are interested in the challenging problems of law and policy. Its large and diverse membership of nearly 4,000, drawn from more than one hundred countries, includes scholars, practitioners, government officials, international civil servants, and students.

Publications include the *American Journal of International Law*, *International Legal Materials*, *Studies in Transnational Legal Policy*, the *ASIL Newsletter*, and reports and books produced by the Society's programs of research, study, and outreach.
