

THE AUSTRALIAN MATHEMATICAL SOCIETY

<i>President:</i>	D. W. ROBINSON	CMA School of Mathematical Sciences Australian National University ACT 0200, Australia
<i>Secretary:</i>	D. ELLIOTT	Department of Mathematics University of Tasmania Hobart, TAS 7001, Australia
<i>Treasurer:</i>	A. HOWE	Mathematics Department Australian National University Canberra, ACT 0200, Australia
<i>Membership subscriptions (for 1995)</i>	Ordinary members:	A\$65 (or A\$60 if paid before 1 January 1995)
	New ordinary members:	A\$33
	Reciprocal members:	A\$33
	Reduced rate members:	A\$12
	Sustaining members:	A\$130
	Institutional members:	A\$762 (this includes all publications)

Reciprocity agreements: Such agreements have been made with a number of other mathematical societies. Under the agreements, members of the other societies who are not normally resident in Australia may join the Australian Mathematical Society at the rate shown.

Membership and correspondence: Applications for membership, notice of change of address or title or position, members' subscriptions and correspondence related to accounts should be sent to the Treasurer. Correspondence about the distribution of the Society's GAZETTE, JOURNAL Series A, Series B, BULLETIN, and orders for back numbers should also be sent to the Treasurer. All other correspondence should be sent to the Secretary.

Members of the Society receive copies of the GAZETTE free, and may subscribe to any of the Society's research publications, the JOURNAL (Series A) for A\$33 per year, the JOURNAL (Series B) A\$25 per year, the BULLETIN A\$30. For reduced rate members the subscription rates are half those quoted.

OTHER PUBLICATIONS OF THE SOCIETY

The *JOURNAL SERIES B*. This series contains papers on applied mathematics. It is published in volumes comprising four parts, starting with Volume XIX Part 1, 1975. Four parts will be published in 1995; the price to non-members is A\$174 (US\$134) for 1995. Typescripts for publications should be sent to the Editor, Associate Professor C. E. M. PEARCE, Department of Applied Mathematics, University of Adelaide, SA 5005, Australia.

The *BULLETIN* of the Australian Mathematical Society began publication in 1969. It aims at quick publication of original research in all branches of mathematics. Two volumes of three numbers are published annually. The price to non-members is A\$250 (US\$192) for 1995. Each paper for publication should include an abstract and a 1991 Mathematics Subject Classification. Three copies of the typescript should be sent to the Editor, Dr. A. S. JONES, Department of Mathematics, University of Queensland, QLD 4072, Australia.

The *GAZETTE* started publication in 1974 and carries news items, mathematical articles of general interest, and articles on tertiary mathematics teaching. The price to non-members is A\$48 (US\$37) for 1995. Typescripts for publication should be sent to the Editor, Prof. T. M. MILLS, Department of Mathematics, La Trobe University, P. O. Box 199, Bendigo, VIC 3550, Australia.

THE JOURNAL

The Journal of the Australian Mathematical Society began publication in 1959, and from 1975 has appeared in two series, Series A (Pure Mathematics and Statistics) and Series B (Applied Mathematics). Information about Series B may be found on the inside back cover.

Series A, Pure Mathematics and Statistics

Submission of research papers in pure mathematics and mathematical statistics is invited. Authors intending to submit papers for publication should prepare the typescript following the instructions below, and should send two complete copies to the Editor, or to an appropriate Associate Editor (see back cover of this issue).

Two volumes of three parts each are planned for 1995. These are Volume 58 and Volume 59. The annual subscription price to non-members is A\$273.00 (US\$210.00) for 1995.

PREPARATION OF TYPESCRIPTS

1. The author should keep a complete copy of the submitted article; the Society will not accept responsibility for any loss.

2. Each typescript should include (i) an abstract of not more than 150 words, preferably containing no formulae, and certainly containing no complicated formulae and no references, (ii) a 1991 Mathematics subject classification (Amer. Math. Soc.), (iii) if the title is long, a shortened form of it, no more than forty characters in length, including spaces.

3. The article should be typed, printed or photocopied on high quality A4 or quarto bond paper, on one side only, with at least double spacing, and with a generous margin (at least 3 cm) all around.

4. Two alternative styles for references and quotations are described below. Authors are requested to use one and only one style consistently throughout their typescript.

STYLE 1. A typical reference in the list of references would be

T. M. Cherry (1965), "Infinite linear systems with homogeneous kernel of degree -1 ", *J. Austral. Math. Soc.* 5, 129–168.

A corresponding reference in the text would be: Cherry (1965), p. 155.

STYLE 2. A typical reference in the list of references would be

[3] L. Grüşchen, "Pseudo-quasi-ergodic theorems", *J. Austral. Math. Soc.* 4 (1960), 2–3.

A corresponding reference in the text would be: Grüşchen [3]; or ([3], [4], [9]); or Grüşchen [2, 3]; or Grüşchen [3, Theorem 1].

In either style, the list of references should be in alphabetical order of surnames of first authors.

5. Explain clearly what symbols are to be set in special typefaces (such as cursive, fraktur, script, bold) and what is required with any unusual symbols (which should wherever possible be chosen from symbols available to the printer).

6. Avoid abbreviations, such as Thm., Prop., Ex., iff, i.e., e.g., \forall , \exists , \Rightarrow , and \Leftrightarrow .

7. Authors should provide diagrams (except for category theory type diagrams), drawn to professional standards.

8. Authors are encouraged to submit their papers in \LaTeX .

Journal of the Australian Mathematical Society, Series A — Pure Mathematics and Statistics, is published bimonthly by the Australian Mathematical Society, c/-Mathematics Department, Australian National University, Canberra, ACT 0200, Australia. Second class postage is paid at Ann Arbor, Michigan 48106. Postmaster: Send address change notices to Dr. A. Howe, Australian Mathematical Society, c/-Mathematics Department, Australian National University, Canberra, ACT 0200, Australia.
