

ACTA GENETICAE MEDICAE ET GEMELLOLOGIAE

Volumen XXII

1973

INDEX

Chronogenetics. <i>Its Foundations, Scope, and Impact</i> by L. GEDDA, G. BRENCI (Rome, Italy).....	3
Cytogenetic Studies on the Seasonal Variations in the Rate of Spontaneous Chromosomal Aberrations in Man by B.R. DEININGER, H.-D. ROTT (Erlangen, German Federal Republic)	19
Comparative Effect of Maternal and Paternal Age on the Appearance of Standard Trisomy G by Y. ROS (Brussels, Belgium)	27
Skeletal Changes in the "Cri du Chat" Syndrome by B. DALLAPICCOLA	39
Length of the Y Chromosome in a General Male Population by E. ZEUTHEN, J. NIELSEN (Risskov, Denmark)	45
Genetic Counselling in X-Linked Eye Diseases by J. FRANÇOIS, M.Th. MATTON-VAN LEUVEN, D. VANDENBULCKE-DONCK, S. DE BIE (Ghent, Belgium)	51
A Study on the "First Memory" by L. GEDDA (Rome, Italy)	75
Dermatoglyphics in Twins by H.F. PEÑA, F.M. SALZANO, S.M. CALLEGARI (Porto Alegre, Brazil)	91
Viral Etiology of Leukemias by M. TORRIOLI, G. TORRIOLI RIGGIO, L. BRACONI ROMEI, E. TORRIOLI, D. MERLINI, M. RUSSO, A. CONFORTI (Rome, Italy)	99
Sweat Electrolytes as a Clinical and Genetic Test in Mucoviscidosis. <i>Study of Variability and Genetic Conditioning</i> by G. DEL PORTO, B. DI TONTO (Rome, Italy)	109

A Method for Sexing 90-Day-Old Blood Stains in Absorbent and Nonabsorbent Materials by J. ARAGONÉS, J. EGOZCUE (Barcelona, Spain)	113
Haemoglobinopathies in the Indian Subcontinent. <i>A Review of Literature</i> by N. SAHA, B. BANERJEE (Canberra, Australia, and Addis Ababa, Ethiopia)	117
The Distribution of Blood Genetic Markers in Immigrant Chinese Populations by B.R. HAWKINS (Canberra, Australia)	139
Book Reviews	167
Ernst Hanhart, <i>In Memoriam</i>	171
Indice in Italiano	174
Table des Matières en Français	175
Inhalt auf Deutsch	176

Notice

We wish to apologize for the delay that, on account of recent strikes and of our technical reorganization, has been accumulated in our publications. On the other hand, we are happy to inform our 1973 subscribers that the present condensed single issue for Vol. 22 shall be soon integrated by the

Proceedings of an International Symposium on Multiple Pregnancy (Warsaw), to be sent to all 1973 subscribers in the Spring of 1974.
