

In Memoriam: Arthur F. Southwick and Dieter Giesen

The editors of the *American Journal of Law & Medicine*, on behalf of the American Society of Law, Medicine & Ethics and Boston University School of Law, regret to announce the deaths of Professor Arthur F. Southwick, of the University of Michigan Graduate School of Business Administration, and Professor Doctor Dieter Giesen, of The Free University Berlin Institute for International, Foreign and Comparative Law and Director of the Working Centre for International Studies in Medical Malpractice Law. Both Professor Southwick and Dr. Giesen passed away earlier this year. Professor Southwick and Dr. Giesen were long-time editors of the *American Journal of Law & Medicine* and served occasionally as peer reviewers of papers submitted to the *Journal of Law, Medicine & Ethics*.

The editors will greatly miss their editorial advice.
