The Commonwealth Institute of Entomology is one of 10 Bureaux and 4 Institutes that together form the Commonwealth Agricultural Bureaux, an organisation sponsored by the Commonwealth governments and the Republic of Ireland for the dissemination of information on agricultural research.

The *Bulletin of Entomological Research* is a quarterly journal prepared by the Institute and published by the Commonwealth Agricultural Bureaux.

Annual Subscription Rate

To subscribers in countries that are not members of CAB \$65.00

The journal is available at a special rate to subscribers in countries that make a financial contribution to CAB.

Back Numbers

Back volumes of the *Bulletin of Entomological Research* are available and there are discounts up to a maximum of 50% on orders of more than 10 volumes.

Orders and enquiries concerning subscriptions and back numbers should be sent to
