VOTING BEHAVIOR THE 1984 ELECTION

By Charles Prysby and Carmine Scavo

SETUPS: AMERICAN POLITICS
January 1989

The SETUPS includes a monograph for students and a data set.

The monograph features:

- a description of the 1984 election
- an introduction to voting behavior and survey research
- a set of data analysis exercises
- a codebook for the data set
- a bibliography

The data set is available for:

- mainframe computers, on tape, in an SPSSX export file and OSIRIS data and dictionary files
- microcomputers — IBM-PC compatible machines, on diskette, in an ABC data set

The SETUPS monograph is \$6.50/copy, \$5.20/copy on orders of 25 or more. All orders must be prepaid. The data are free with orders of 25 or more monographs. To order write:
