Rosenne's Law and Practice of the International Court: 1920-2015 (4 Volume Set)

Fifth Edition

Malcolm N. Shaw QC, University of Cambridge

The popularity of his monumental and definitive works established Shabtai Rosenne as the undisputed expert on the International Court of Justice's law and practice of his time. Irrefutably the leading work on the court, previous editions of *Rosenne's Law and Practice of the International Court* have influenced generations of legal scholars, practitioners, judges, and students alike. The Fifth Edition, by Malcolm N. Shaw, combines his expertise as both an academic and practitioner to bring this monumental resource up-to-date while retaining Rosenne's distinctive voice, erudition, and rigorous objectives.

- November 2016
- Hardback (cxvii, 1976 pp)
- ISBN 9789004217980
- Price € 999 / US\$ 1,199
- Imprint: Brill | Nijhoff

Rosenne's Law and Practice of the International Court: 1920-2015 is also available online:

- January 2017
- ISSN: 2468-5992
- Outright Purchase Price: € 1.699 / US\$ 1,910
- brill.com/rose

Preserving Rosenne's focus on the caselaw of the Court, the Fifth Edition is supplemented with increased references to the leading academic literature, and, like the Fourth Edition, is divided into four substantive volumes:

- Volume I: The Court as one of the principal organs, in particular the principal judicial organ, of the United Nations. Diplomats and legal advisers who deal with matters relating to the Court on a political level and through different organs and offices of the United Nations will appreciate the full discussion of the diplomatic, political, and administrative aspects of the Court's affairs.
- Volume II: Jurisdiction and the treatment of jurisdictional matters by the Court. This volume also includes the Court's advisory jurisdiction, and how that work relates to complex legal issues in matters of major political import.
- Volume III: The Court's procedure.
- Volume IV: The work's final volume includes the English texts of the Charter of the United Nations, the Statute of the Court, the Practice Directions, the Rules of the Court, and a full set of indexes.

The Fifth Edition (updated through 2015) of *Rosenne's Law and Practice of the International Court* is an essential component of all international law libraries and an indispensable work for those practicing in the field, who will all appreciate access to the most recent work on the Court.

Professor Malcolm N. Shaw is a practicing Barrister at Essex Court Chambers. In addition to a varied and wide international practice, he also has an extensive career in the academy. He is currently a Senior Fellow at the Lauterpacht Centre for International Law, University of Cambridge.

Shabtai Rosenne was a distinguished lawyer, diplomat and teacher. He was the recipient of numerous prestigious awards including the Hague Prize for International Law in 2004.

New and Notable Books in International Law

This book fills gaps in the exploration of the protection of cultural heritage in armed conflict based on the World Heritage Convention. Marina Lostal offers a new perspective, designating a specific protection regime to world cultural heritage sites, which is so far lacking despite the fact that such sites are increasingly targeted.

\$110.00: Hardback: 978-1-107-16921-0

"This is a wonderful reflection of the limits and possibilities of using a traditional legal concept in a changed world of complex international conflict."

- Martti Koskeniemi, author of *The Gentle Civilizer of Nations: The rise and fall of international law 1870-1960*

\$39.99: Paperback: 978-1-316-50932-6
\$120.00: Hardback: 978-1-107-14596-2

"This book is an important addition to the leading texts on refugee law. It combines deep erudition, clear exposition and excellent analysis. It is essential reading for scholars, practitioners and judges interested in this field."

- Raza Husain QC, Matrix Chambers

\$44.99: Paperback: 978-1-316-62740-2
\$120.00: Hardback: 978-1-107-17536-5

This article-by-article Commentary takes into account developments in the law and practice to provide up-to-date interpretations of the Convention. The new Commentary has been reviewed by humanitarian-law practitioners and academics from around the world. It is an essential tool for anyone working or studying within this field.

\$80.00: Paperback: 978-1-316-62123-3
\$190.00: Hardback: 978-1-107-17010-0

"Putnam's book is lucid, compelling, and extraordinarily well-grounded in empirical details. This is one of the best books to appear on issues of transnational law and governance in recent years."

- Eric Voeten, Georgetown University, Washington DC

\$99.99: Hardback: 978-1-107-13709-7

"At a time when both Europeans and Americans speak of building walls to stop the flow of refugees, we are in desperate need of a new moral and legal vision. In *Humanity at Sea*, Itamar Mann offers that vision. A work brimming with insights, it will make us rethink the very foundations of international law."

- Paul Kahn, Yale Law School

"Chinese jurists often speak of the "rule of law with Chinese characteristics". In this book Dr Seppänen skilfully unravels the many meanings of this enigmatic expression. In so doing, he provides a sophisticated analysis of law's paradoxical role in today's China."

BREXIT TIME

Leaving the EU - Why, How and When?

Kenneth A. Armstrong

University of Cambridge

Paperback: 978-1-108-40127-2: \$22.99

The result of the UK referendum in June 2016 on membership of the European Union had immediate repercussions across the UK, the EU and internationally. As the dust begins to settle, attention is now naturally drawn to understanding why this momentous decision came about and how and when the UK will leave the EU. What are the options for the new legal settlements between the UK and the EU? What will happen to our current political landscape within the UK in the time up to and including its exit from the EU? What about legal and political life after Brexit? Within a series of short essays, *Brexit Time* explores and contextualises each stage of Brexit in turn: pre-referendum; the result; the process of withdrawal; rethinking EU relations; and post-Brexit. During a time of intense speculation and commentary, this book offers an indispensable guide to the key issues surrounding a historic event and its uncertain aftermath.

- The publication date of June 2017 is timed to co-incide with the first anniversary of the 2016 UK Referendum which is the starting point of the book, with its end point as the triggering of Article 50 by the UK in 2017
- Written by an acknowledged expert on European law
- The author has an accompanying blog to this book already live which we will be linking some proof versions of selected chapters from to our site pre-publication: <https://brexittime.com/>

ASIL Studies in International Legal Theory

The purpose of the ASIL Studies in International Legal Theory is to clarify and improve the theoretical foundations of international law. Too often the progressive development and implementation of international law has foundered on confusion about first principles. This series raises the level of public and scholarly discussion about the structure and purposes of the world legal order and how best to achieve global justice through law. This series grows out of the International Legal Theory project of the American Society of International Law. The ASIL Studies in International Legal Theory deepen this conversation by publishing scholarly monographs and edited volumes of essays considering subjects in international legal theory.
