

The Cold War and Soviet Insecurity

The Stalin Years

Vojtech Mastny

In *The Cold War and Soviet Insecurity*, the long-awaited sequel to his acclaimed work, *Russia's Road to the Cold War*, Mastny offers a masterful history of the birth of the Cold War, drawing on extensive research in newly opened Soviet archives to provide a superb account of Stalin's foreign policy during his last years. Combining important new research with the fascinating insight of one of the leading authorities on Soviet affairs, this authoritative volume illuminates a crucial period in recent world history. \$27.50, 272 pp.

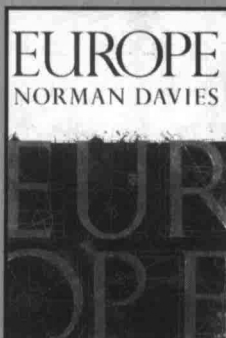

Central Europe

Enemies, Neighbors, Friends

Lonnie R. Johnson

"Central Europe has finally re-entered the cultural world of Western Europe and the United States.... Lonnie Johnson has come along with a book which is extremely useful not only for courses on Central Europe but will be indispensable to readers whose knowledge of European ideas is generally limited to the Western half of the continent" —István Deák. "Written by a sophisticated historical analyst, this book is nevertheless more accessible to non-specialists than any comparable work. Lonnie Johnson explains the region's paradoxes objectively, but also

with deep sympathy.... Students, travelers, officials, and businessmen who wish to understand the contradictions of this vital, appealing, but often alarming heart of Europe must read this illuminating narrative"—Daniel Chirot, University of Washington. \$30.00, 336 pp.

Europe

A History

Norman Davies

"One of those great books for whom the critic's 'must read' verdict should be truly heeded"—*The Times* (London). "A work of unprecedented inquisitiveness and exuberance. His own fascination with the subject sparkles on every page.... Quirky and impulsive, sometimes ironic and sometimes passionate, with a magpie's eye for anecdotes, coincidences, bons mots and other glinting oddities... Davies never loses his own focus or the reader's interest. His is a book that cannot fail to stimulate any reader"—*The Sunday*

Telegraph. A masterwork of history that stretches from the Ice Age to the Atomic Age, Norman Davies's magisterial *Europe* captures the full drama of European history, East and West, on a sweeping canvas filled with fascinating detail, analysis, and anecdote. *Europe* will be one of the most important histories to be published this year. \$39.95, 1,385 pp., 72 plates, 100 maps

NEW FROM

Mykola Kostomarov

A Biography

by Thomas M. Prymak

Historian, educator, and author Mykola Kostomarov was a leading figure in both Ukrainian and Russian cultural politics. As an ethnographer, he sought to uncover the 'mysterious soul' of the Ukrainian people, and his poetry contributed to the development of a Ukrainian literary language. An outspoken proponent of social and national emancipation, Kostomarov was imprisoned and exiled for his role in the

Cyril-Methodian Brotherhood, which worked towards a Ukrainian national renaissance and a pan-Slavic federalism. In this first English-language biography of Kostomarov, Thomas Prymak brings to light a legacy long buried by the censoring mechanisms of both Tsarist Russia and the Soviet Empire.

NEW FROM CAMBRIDGE

Accounting for War

Soviet Production, Employment,
and the Defence Burden, 1940–1945

Mark Harrison

How did the Soviet Union compare economically with its allies and adversaries before and during World War II? Was Soviet economic survival under massive German attack to be expected? What was the cost of the war in rubles, lives and foregone postwar economic well-being? Harrison answers these questions, providing a comprehensive analysis of the hitherto secret Soviet statistical record.

Arts and Crafts in Late Imperial Russia

Wendy R. Salmond

Salmond provides the first account of the revival of Russia's *kustar* art industries from its origins in the early 1870s to its climax in 1913. Focusing on the four major centers of *kustar* art production, it also examines the role of the professional artist in the creative life of the peasant artist, the place of traditional culture in modern society, and the ways in which traditional gender roles affected the production of *kustar* crafts.

Muscovy and Sweden in the Thirty Years' War 1630–1655

B.F. Porshnev

Paul Dukes, Editor

Translated by Brian Pearce

This is the first English translation of important writings on the Thirty Years' War by the great Soviet historian B.F. Porshnev. Dukes had selected the most enlightening areas of Porshnev's unparalleled research to fill a crucial gap in our understanding of the conflict, and has set Porshnev's work firmly in context with a comprehensive introduction and evaluation.

Nation and State in Late Imperial Russia

Nationalism and Russification on the Western Frontier, 1863–1914

THEODORE R. WEEKS

“A very fine piece of work. . . . This is a topic of daunting complexity, and Weeks does it justice. . . . A major contribution to our understanding of nationalism in Eastern Europe.”—Samuel Kassow

Weeks challenges assumptions about Russia’s “national policy” toward the peoples living in the Western provinces and Kingdom of Poland—Poles, Jews, Ukrainians, Belorussians, and Lithuanians—and shows that, even at the height of its empire, the Russian government failed to initiate workable policies concerning nationality.

The Politics of Punishment

Prison Reform in Russia,
1863–1917

BRUCE A. ADAMS

“A very useful and original contribution.”—Marc Raeff

Adams traces the development of a modern penal system in Russia from the time of the Great Reforms—when, with the partial abolition of corporal punishments, the idea of imprisonment and rehabilitation emerged—to the establishment of the Main Prison Administration. While illuminating the context in which the Prison Administration worked, he also reveals a great deal about Russian government and society during the reform era.

Life and Terror in Stalin's Russia

1934–1941

Robert W. Thurston

"A boldly original reading of one of the central issues of Soviet history, Robert Thurston's *Life and Terror in Stalin's Russia* takes the 'revisionist' approach to a new level. His argument that Soviet citizens broadly accepted the Terror as just, because it 'echoes their own experience and assessments of their situation,' is sure to reanimate a debate that had reached something of a stalemate." —Lewis H. It's the best time of the year to join AAASS.

Since AAASS membership is based on the calendar year, you will receive the full benefits of membership if you join now. Benefits include five issues of *NewsNet* and four issues of *Slavic Review*, plus reduced rates for convention registration, the Membership Directory, and the Directory of Programs (to be published later in 1997).

If you were a member in 1995 or 1996, a membership renewal form was mailed to you in November. If your address has changed, or you wish to become a new member, please contact the national office at the address above and start the new year off right.

TO THOSE WISHING TO SUBMIT MANUSCRIPTS

Manuscripts for consideration should be submitted by post or courier in four double-spaced typed copies. (If computer-generated, they should be letter quality or near letter quality. Continuous form sheets must be separated.) Notes and block quotations should be double-spaced; notes should be placed at the end of the manuscript and not at the bottoms of pages. Library of Congress transliteration and the *Chicago Manual of Style* are to be followed. In general, articles should not exceed 30 typed pages 8½" by 11" in dimension—including endnotes. Accepted manuscripts will be copyedited electronically, and authors will be asked to submit final versions on computer diskette.

Manuscripts are sent to outside readers in anonymous form and should be prepared accordingly.

The policy of *Slavic Review* is not to consider materials that have been published or that are being considered for publication elsewhere.

The *Slavic Review* does not ordinarily accept unsolicited book reviews. Please consult us in advance of submitting an uninvited book review.

Slavic Review is the journal of the American Association for the Advancement of Slavic Studies, whose members support the journal through their dues. *Slavic Review* expects the authors of articles published in the journal to belong to the association.
