

Submission of manuscripts

Manuscripts may be submitted electronically through the journal's website (www.njgonline.nl). Manuscripts should be prepared in accordance with the 'instructions to authors' as summarised in every first issue of a volume. The instruction is also available upon request from the Editorial Office and on the journal's website (www.njgonline.nl). The author(s) of manuscripts submitted are responsible for obtaining clearance for publication from relevant parties including, if appropriate, permission to include copyright material.
