"THAT THE CHURCH MAY SPREAD AND INCREASE: this is the intention for which we must offer our prayers and our labours", says Pope Pius XII in his encyclical on the Mystical Body.

The work of the Mill Hill Fathers in Africa, India, the Far East and New Zealand, has this one aim. You can work with them for the spread of the Church by fostering vocations to the missionary priesthood.

A Modern Crusader

ESMOND KLIMECK, O.P.

The inspiration for this book, and indeed, for the whole of the author's life, lies in the words of St Bernard: 'When you follow Mary, you will not go astray; when you pray to her you will not despair; when you think of her, you will not err; when she holds you up you will not fall; when she protects you, you will not fear; when she leads you, you will not be fatigued; when she favours you, you will arrive safely.' Here indeed is the story of a modern crusader, his travels, adventures and battles in the service of Our Lady. The story he has to tell lives and breathes of his own strong feeling and convictions and is as enthralling as any novel. Of particular topical interest is the long section he devotes to his experience at Fatima. 12s. 6d.
