

**THE HISTORY OF CATHOLIC HIGHER EDUCATION  
IN AMERICA FINALLY GETS COMPLETE COVERAGE!**

**CATHOLIC HIGHER EDUCATION IN AMERICA: A HISTORY**  
by Edward J. Power

The need for a comprehensive, scholarly history of Catholic higher education has now been filled: from the founding of Georgetown University to the latest developments at Catholic colleges and universities, Edward J. Power has written a richly detailed account of a vital force in American education, complete with extensive annotations and footnotes.

512 pp.                      1972                      SBN 390-71491-7                      \$14.95

**SOCIAL CONFLICT AND EDUCATIONAL CHANGE  
IN ENGLAND AND FRANCE 1789-1848**

MICHALINA VAUGHAN and MARGARET SCOTFORD ARCHER

Analyzes the processes of educational change in England and France by relating political, social economic and ideological trends to the changing pattern of educational institutions from the time of the Industrial and French revolutions. There is a detailed examination of competing groups in both countries.

\$11.50

*Cambridge Texts and Studies in the History of Education*

**EDUCATION AND SOCIETY IN  
NINETEENTH-CENTURY NOTTINGHAM**

DAVID WARDLE

An account of the development of education at all levels in 19th-century Nottingham. The author uses the evidence of newspapers, contemporary accounts and statistics relating to population, child employment, public health, welfare agencies and charitable organizations to produce an integrated study.

\$11.50

**T. H. HUXLEY ON EDUCATION**

CYRIL BIBBY

An edited selection of Huxley's most significant writings on education, many of them long out of print. In an introductory essay Cyril Bibby assesses Huxley's influence on the historical development of education and indicates the relationship between his educational thinking and some of the present-day problems of society.

\$9.50

**THE RISE OF A CENTRAL AUTHORITY  
FOR ENGLISH EDUCATION**

A. S. BISHOP

The only fully documented account of the 19th-century formation, growth and structure of the central authority for education in England, which has become the Department of Education and Science. The author investigates the original three parts of the authority: the Education Department, the Science and Art Department, and the Charity Commission.

\$13.50

**PUBLIC EXAMINATIONS IN ENGLAND 1850-1900**

JOHN ROACH

A detailed historical account of the origins of the modern examination system in England. Professor Roach discusses the assumptions and intentions behind the introduction of examinations, shows how far the aspirations of the reformers were achieved, and considers the results of their policies.
