CONTENTS

	PAGE
1. GARNER, F. H., GRANTHAM, J. and SANDERS, H. G. An electric oven for drying samples from field plots. (With Plate VI)	315
2. ROMANOFF, ALEXIS L. Influence of incubation temperature on the hatchability of eggs, post-natal growth and survival of turkeys. (With four text-figures)	318
3. ROGERS, W. S. A soil moisture meter. Depending on the "capillary pull" of the soil. With illustrations of its use in fallow land, grass orchard, and irrigated orchards. (With Plate VII and seven text-figures)	326
4. GALPIN, NANCY. The pre-natal development of the coat of the New Zealand Romney lamb. (With ten text-figures)	344
5. GARNER, F. H. and SANDERS, H. G. Investigations in crop husbandry. II. On the age of seed beans	361
6. PATERSON, D. D. The growth, yield and composition of certain tropical fodders. (With three text-figures)	369
7. REIMERS, J. H. W. TH. and BARTEL, L. H. The retention of protein by growing pigs	397
8. HUNTER, H. The improvement of winter oats	419
9. DUNLOP, GEORGE. The effect of the growth-promoting, appetite-stimulating or "physin" factor on the live-weight increase of swine	445

The Journal of Agricultural Science is issued in quarterly parts of about 150 pages, with plates and figures, four parts constituting a volume.

Volumes XVI-XX (1926-1930) are out of print. Quotations can be given for other back volumes and parts.

Quotations can also be given for buckram binding cases and for binding subscribers' sets.

Papers for publication should be typewritten or written in a very legible hand, and may be sent to Professor Sir R. H. BIFFEN, M.A., F.R.S., School of Agriculture, Cambridge, or to the associate Editors. Other communications should be addressed to the University Press, Cambridge.

References to literature should be collected at the end of the paper in alphabetical or numbered order. Abbreviations for titles of Journals given in the *World List of Scientific Periodicals* should be used.

Contributors will receive twenty-five copies of their papers free. A limited number of additional copies may be purchased if ordered when final proof is returned.

The subscription price for each volume, payable in advance, is 30s. *net* per volume (post free); single numbers 10s. *net*. Subscriptions may be sent to any Bookseller, or to The Cambridge University Press, Fetter Lane, London, E.C. 4.

The Cambridge University Press has appointed the University of Chicago Press agents for the sale of *The Journal of Agricultural Science* in the United States of America.
