FISCAL YEAR 2018–19

This list celebrates the generosity of donors to APSA. We are honored to recognize the individuals and organizations that have donated during the 2018–19 fiscal year (October 1, 2018–September 30, 2019). Thank you for ensuring that the benefits of APSA programming and the influence of the profession extend to many more generations of scholars to come. Without you, none of this is possible. If you would like information on making a gift to APSA, please contact development@apsanet.org or visit apsanet.org/contribute. APSA updates this list annually in the January issue of *PS*.
