**EPILEPSY**

Is so uniformly and so remarkably benefited by the use of

**GELINEAU'S DRAGEES**

(Pot.-Brom.; Antim.-Arsen.; Picrotoxine)

that no case should be considered hopeless until these Dragees have been thoroughly tried. RELIEF—AND A GREAT DEAL MORE—are usually obtained even when routine treatment fails completely.

**GELINEAU'S DRAGEES**

are successfully prescribed by leading Physicians, and are used in Hospitals and Epileptic Colonies. *Their use is also indicated in the nervous and painful crises of Menstruation and in the varying manifestations of Shell Shock.*

In tins of 50 and 150. Full particulars from the general Agents for the British Empire (except Canada, Australia and New Zealand):

Home Office,

Whitehall, S.W.1.

9th September, 1925.

Gentlemen,

With reference to your letter of the 5th ultimo, I am directed by the Secretary of State to inform you that he has laid before the King the petition of the Medico-Psychological Association of Great Britain and Ireland for permission to use the prefix "Royal" in the name of their Association and that His Majesty has been graciously pleased to Command that the Society shall henceforth be known as "The Royal Medico-Psychological Association".

I am,

Gentlemen,

Your obedient Servant,

Messrs. Wigan & Co.,

Norfolk House,

VICTORIA EMBANKMENT.

W.C.2.
