

JOURNAL OF THE INTERNATIONAL FOLK MUSIC COUNCIL

EDITORIAL NOTES

THE COUNCIL has suffered an irreparable loss in the death of its President, Zoltán Kodály, which occurred in Budapest on March 6th. Prof. Kodály always held the interests of the Council at heart and from the time he became our President in 1961 contributed so much to its work both in thought and in deed. We offer our sympathy to Mrs. Kodály and to his colleagues at the Hungarian Academy of Sciences. An Obituary notice will appear in due course.

Dr. Barbara Krader, who became Executive Secretary of the Council in May, 1965, has been obliged to resign for personal reasons and left us in the autumn of 1966. Dr. Krader has given valuable service to the Council and will be missed by those many members who have come in touch with her during her short period of office. We look forward to continued co-operation from afar.
