The Contested Removal Power, 1789–2010

J. David Alvis, Jeremy D. Bailey, and F. Flagg Taylor IV

“This book is important not merely for what it says about the ability of presidents to fire bureaucrats but also for its probing account of broader theories of constitutionalism and executive power that undergird and fortify claims about removal powers. . . . Deserves a privileged place in the conversation about the proper scope of presidential power.”—**William Howell**, author of *Power without Persuasion: The Politics of Direct Presidential Action*

“This volume reveals the centrality of the evolving arguments over the removal power to the revolutionary presidencies of Jefferson and Jackson, and FDR and Reagan. A must read for any student of the American presidency.”—**John Yoo**, author of *Crisis and Command: A History of Executive Power from George Washington to George W. Bush*

Journal of Social Policy

A Journal of the Social Policy Association

Editors

Tania Burchardt, *London School of Economics and Political Science, UK*
Hartley Dean, *London School of Economics and Political Science, UK*

The *Journal of Social Policy* carries high quality articles on all aspects of social policy in an international context. It places particular emphasis upon articles which seek to contribute to debates on the future direction of social policy, to present new empirical data, to advance theories, or to analyse issues in the making and implementation of social policies.

The *Journal of Social Policy* is part of the 'Social Policy Package' with *Social Policy and Society*.
