

LISTE ALPHABÉTIQUE DES MEMBRES*

(Les noms figurent sous la première lettre du premier mot, par exemple le nom: van den Berg se trouverait sous V. Il est à remarquer que les noms des membres russes ont été transcrits suivant le système du "School of Slavonic and East European Studies" à Londres, de sorte qu'il y a quelques différences avec l'orthographe habituelle, par exemple Tsesevich au lieu de Zesewitsch, Yakovkin au lieu de Jakovkine, Yashnov au lieu de Jaschnoff.

Les nombres placés à la suite des noms indiquent les numéros des Commissions dont les intéressés font partie. Lorsqu'un nombre est imprimé en caractères gras, le titulaire auquel il se rapporte est Président de la Commission correspondante. La lettre m signifie "membre d'une commission mixte".)
