Identification of pathogens causing invasive fungal rhinosinusitis in surgical biopsies using polymerase chain reaction– CORRIGENDUM

S Chaturantabut¹, N Kitkumthorn², A Mutirangura³, N Praditphol⁴,
A Chindamporn⁵, P S Thorner^{6,7} and S Keelawat⁷

¹Medical Science Program, Faculty of Medicine, Chulalongkorn University, Bangkok, Thailand, ²Department of Oral Biology, Faculty of Dentistry, Mahidol University, Bangkok, Thailand, ³Department of Anatomy, Faculty of Medicine, Chulalongkorn University, Bangkok, Thailand, ⁴Department of Pathology, Rajavithi Hospital, Bangkok, Thailand, ⁵Department of Microbiology, Faculty of Medicine, Chulalongkorn University, Bangkok, Thailand, ⁶Department of Laboratory Medicine and Pathobiology, University of Toronto, Canada and ⁷Department of Pathology, Faculty of Medicine, Chulalongkorn University, Bangkok, Thailand

When originally published, the article by Chaturantabut *et al.*, included a misspelling of the second author's name. The correct spelling is N Kitkumthorn as is reflected in the corrected version of the online article.
