

Network of  
Canadian  
Emergency  
Researchers

CAEP | ACMU

# Better Collaboration. Better Research. Better Care.

NCER enables emergency care researchers to conduct multi-center research or education studies, provide mentorship, create knowledge through research, support knowledge translation, and ultimately improve patient care for all Canadians.

2019 NCER  
Meeting  
March 26-28

Mont-Tremblant  
Quebec
