Submission Method: All submissions must be made through the *Philosophy of Science* Editorial Manager website: <https://www.editorialmanager.com/phos>. All electronic files should be readable in Microsoft Word or formatted as TeX or LaTeX. (Special restrictions apply to TeX and LaTeX documents; please see the website for details.) Manuscripts: Submissions must not exceed 9,000 words, including abstract and footnotes, but not references; a word count must be submitted with each essay. A detailed guide to the reference style appears on the website.

Copyright: Manuscripts should be submitted to *Philosophy of Science* with the understanding that upon acceptance for publication an exclusive license to publish will be granted to the Philosophy of Science Association.

Book Reviews: Books intended for review should be sent to the address given above. Persons wishing to review a book should contact the editorial office.
