

Bulk Article Reprints

Cambridge University Press can provide rapid exposure of your products and the latest peer-reviewed research via high-quality hard-copy reprints and ePrints. Hard-copy reprints can be produced as straight article reprints or with custom-designed covers, with the option to bundle several articles together and bind them as a custom collection. A wide range of ePrints are also available that are uniquely designed to allow access across a wide range of devices. Our commercial sales team can also provide quotes for permission to translate and reprint articles and the reuse of journal content for corporate clients.
