### **Travel Grants to Learned Societies' Meetings**

*CPSA—Annual General Meeting, Université de Montréal, Montreal, Quebec, May 31, June 1 and 2, 1985*

The Canadian Political Science Association receives a travel grant from The Social Sciences and Humanities Research Council of Canada to assist *members* to come to the annual meeting from distant places. These funds are particularly designed to help participating younger members or those participants whose university may be unable to help them defray their costs. They are all apportioned before the meetings take place.

The assumption remains that established assistant, associate, and full professors who are participating as paper-givers, discussants, or chairpersons will be subsidized by their own university. At the date of the final allocation of grants (approximately May 1 of each year) any funds not used by participants will be allocated to junior non-participating members of the Association. We stress this point to planners of the programme who must inform participants of these deadlines.

To be considered, requests for travel funds must reach The Secretary-Treasurer, Canadian Political Science Association, University of Ottawa, Ottawa, Canada K1N 6N5 by *April 15, 1985*.

Your letter of application must state: (1) that you have approached your own institution for funds; (2) the amount of any partial grants you expect to receive from other sources than the CPSA; (3) your academic rank; (4) whether or not you will be participating in the programme.
