

## CORRIGENDUM

---

# Sedimentological architecture, shelf-edge trajectories and evolution of an Oligocene reservoir, East Nile Delta – CORRIGENDUM

S. S. SELIM

doi: [10.1017/S0016756816000522](https://doi.org/10.1017/S0016756816000522). Published online by Cambridge University Press, 5 August 2016.

The author apologizes that the FirstView publication of this article (Selim, 2016) included a figure (Fig. 12) for which permission had not been granted by the owners, Dana Gas PJSC.

The article has been recast, replacing the original Fig. 12 with a new version.
