

Comparative Constitutional Law and Policy

DEMOCRACY UNDER GOD

Constitutions, Islam and Human Rights
in the Muslim World

Dawood Ahmed and
Muhammad Zubair Abbasi

CAMBRIDGE

An interdisciplinary approach to understanding the origins and role of Islam in constitutions of Muslim-majority states. It explains how and why Islam became constitutionally entrenched in some states and expands on the relationship between colonialism, constitutional Islam, secularism and human rights.

“ Democracy under God presents an original and illuminating perspective on Islamic constitutionalism, which is supported by multi-disciplinary perspectives and a rich array of historical and contemporary empirical cases ranging from the Ottoman Empire to West Africa and Pakistan. This is a provocative and insightful book that will be of interest to a wide audience. ”
