

CORRIGENDUM

## Elite Communication and the Popular Legitimacy of International Organizations – CORRIGENDUM

Lisa M. Dellmuth and Jonas Tallberg

(First published online 10 March 2021)

<https://doi.org/10.1017/S0007123419000620>, Published by Cambridge University Press, date here.

**Keywords:** elites; communication; cueing; public opinion; international organizations; legitimacy; legitimation; corrigendum

In two places, the article incorrectly summarizes the comparison across international organizations. The correct summary in the abstract and the introduction should read: “Fourthly, comparing across IOs indicates that elite communication is more often effective in relation to the IMF, UN and WTO, than the EU and NAFTA.”
