# Have you thought of subscribing?

**Infection** is a leading international journal tailored for the clinician that deals with the aetiology, diagnosis, pathogenesis and epidemiology of infection and infectious disease.

**Infection** encompasses modern diagnostics, patient-related mechanisms of infections, preventive measures including immunoprophylaxis and immunosubstitutes. Changing and emerging pathogens and the different clinical course of diseases make it essential to obtain the latest information.

**Infection** originates in Europe and has an international staff and editorial board, which ensures the high quality of its peer-reviewed, original contributions.

**Infection** is an official publication of the German Society for Infectious Diseases and the Paul-Ehrlich-Society for Chemotherapy. It is regularly listed in Current Contents/Life Sciences, Current Contents/Clinical Medicine, Science Citation Index, MEDLARS and MEDLINE.

Prof. Dr. med. Walter Marget (University of Munich), founder and Editor-in-Chief.

**A complete overview can only be gained by reading Infection regularly!**
