PUNITIVE DAMAGES

How Juries Decide

Cass R. Sunstein, Reid Hastie, John W. Payne, David A. Schkade, and W. Kip Viscusi

"*Punitive Damages* pulls together a series of important empirical findings and situates them within a policy and methodological framework. It is accessible to nonspecialists and will certainly appeal to academics interested in jury behavior, as well as policymakers considering the issue of punitive damages reform."—Christine M. Jolls, Harvard Law School
Cloth \$35.00

SMOKE-FILLED ROOMS

A Postmortem on the Tobacco Deal

W. Kip Viscusi

"Kip Viscusi argues that the nationwide [tobacco] settlement has proved an undeserved bonanza for the lawyers and a tax on the smokers used to fund the settlement. He raises fundamental questions of legal process by challenging the propriety of levying a large tax behind the scenes outside the political arena. He raises equally troublesome questions of social policy, by showing that the same states that vilified the industry to obtain their lavish settlements will collect their money only by keeping the industry alive. One can be thoroughly persuaded of the dangers of smoking and still be won by Viscusi's trenchant attack on the means and ends of the tobacco deal."—Richard Epstein, author of *Principles for a Free Society*

Studies in Law and Economics
Cloth \$27.50

THE GAY RIGHTS QUESTION IN CONTEMPORARY AMERICAN LAW

Andrew Koppelman

"Andrew Koppelman is the academy's most distinguished defender of the view that discrimination against gays and lesbians violates our society's norms against sex discrimination. This book spells out the implications of his theory in lucid detail. The result is a careful, articulate, and fair-minded discussion of gay rights that people of all political persuasions can learn from."—Jack M. Balkin, Knight Professor of Constitutional Law and the First Amendment, Yale Law School
Paper \$17.00

EQUALITY FOR SAME-SEX COUPLES

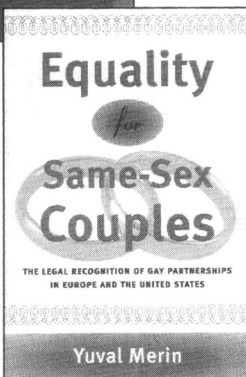

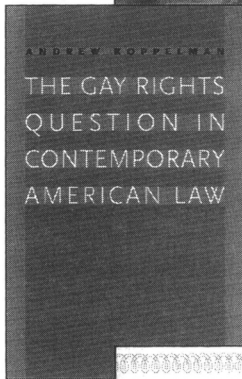

The Legal Recognition of Gay Partnerships in Europe and the United States

Yuval Merin

"Well researched and argued. Merin grapples with a legal issue that is being raised more and more frequently in jurisdictions around the world. This book will meet a growing demand among lawyers and policy makers for more information and analysis relating to same-sex partnerships."

—Robert Wintemute, King's College London School of Law

Economic Development

and Cultural Change

Economic Development
and Cultural Change

Electronic edition
now available!

D. Gale Johnson,
Editor

Pioneering Area Studies

In 1952, *Economic Development and Cultural Change* pioneered the study of noneconomic variables in the development process. In today's search for new theoretical approaches that integrate concepts of social change with economic theories, *EDCC* examines

the economic and social forces that affect development and the impact of development on culture.

This important resource for professionals interested in development issues continues its long-established tradition of excellence. The same high standards of peer review, copy-editing, and quality production for which the paper edition is known will continue for the electronic edition, which features

- Comprehensive browsing and search capabilities
- Convenient HTML, PDF, or Postscript formats
- Easy on-screen navigation with extensive hyperlinks within an article, across issues of *EDCC*, and to outside sources on the Web

Access to the electronic edition is included with your subscription to the paper edition at no extra cost.

NEW FROM CHICAGO

WHY CONGRESSIONAL REFORMS FAIL

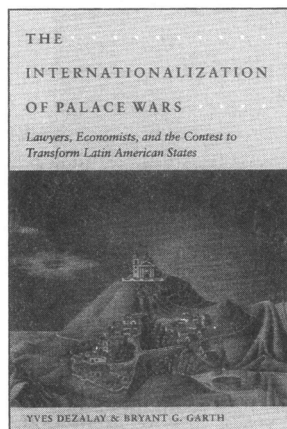

Reelection and the House Committee System

E. Scott Adler

“Over the past few decades congressional scholars have identified what they believe to be fundamental changes in the nature of the House. It has become, in their view, much more partisan and much more ideological. *Why Congressional Reforms Fail* by Scott Adler argues instead that the high level of partisanship currently characterizing the House may have changed the reasons why committee reforms are resisted, but has in no way weakened that resistance.”—D. Roderick Kiewiet, California Institute of Technology

American Politics and Political Economy Series

Paper \$19.00

THE INTERNATIONALIZATION OF PALACE WARS

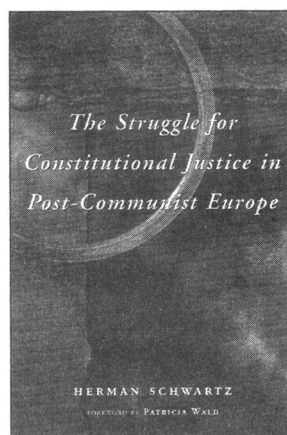

Lawyers, Economists, and the Contest to Transform Latin American States

Yves Dezalay and Bryant G. Garth

“An extraordinary book. A major contribution, it is original yet connected in multiple ways to several new research concerns and debates about law and globalization, the nature of the state today given globalization, and the formation of transnational elites.”—Saskia Sassen, author of *The Global City: New York, London, Tokyo*

THE STRUGGLE FOR CONSTITUTIONAL JUSTICE IN POST-COMMUNIST EUROPE

Constitutionalism in Eastern Europe

Herman Schwartz

“Those who are interested in understanding the behavior of constitutional courts in transitional regimes cannot afford to ignore this important book. . . . [It] is fecund with hypotheses of interest to political scientists, and we are indebted to Professor Schwartz for his comprehensive analysis.”—James L. Gibson, *Law and Politics Book Review*

Paper \$30.00

LECTURES ON JURISPRUDENCE

John Austin

Edited by Robert Campbell

A pupil of Jeremy Bentham, John Austin brought a rigorously analytical approach to jurisprudence, seeking to distinguish sharply between positive law and mere custom or morality; these two volumes present his comprehensive analysis of the principles underlying all legal systems.

JOURNAL OF

CONSUMER

RESEARCH

"This title covers the latest hot topics in consumer research ..."

—Magazines for Libraries

An interdisciplinary quarterly

Diverse scholarship

Editor

Dawn Iacobucci

*Kellogg School of
Management,
Northwestern University*

Since 1974, the *Journal of Consumer Research* has presented scholarly research aimed at describing and explaining consumer behavior—in the broadest sense of the term.

JCR serves as an *interdisciplinary* communications channel for cutting-edge theory, empirical research, and analysis.

The journal reports on results from fields such as psychology, marketing, sociology, economics, and anthropology. In addition to all of the social sciences, other perspectives for research

include the full range of humanities (e.g., philosophy, history, literature) and the professional areas (e.g., business law). The primary thrust of the journal is academic, rather than managerial, with topics ranging from micro-level processes to macro-level issues.

Controlled electronic access is free with your paid subscription to the paper edition.

Access the *JCR* archive in JSTOR.

JCR reflects the broadest possible range of cutting-edge consumer research. If that sounds like something you'd like to read, please subscribe today—we offer exceptionally low rates for affiliated membership societies. See our Web site for details.

The Supreme Court Review

"Judges as persons, or courts as institutions, are entitled to no greater immunity from criticism than other persons or institutions . . . [J]udges must be kept mindful of their limitations and of their ultimate public responsibility by a vigorous stream of criticism expressed with candor however blunt."
—Felix Frankfurter

"Some of the best researched and most thoughtful criticisms of recent decisions by the U.S. Supreme Court."—*Ethics*

Founded in 1960, **The Supreme Court Review** provides critical surveys of the Court's most significant decisions. **SCR** keeps you at the forefront of the origins, reforms, and interpretations of American law while allowing you to consider the social impact of legal institutions and judicial opinion. Contributors to **SCR** include distinguished legal scholars, lawyers, judges, historians, political scientists, economists, and journalists.

2001 volume contents include:

Regulating Risks after ATA, **Cass R. Sunstein**

Graduated Application of Constitutional Protections for Aliens: The Real Meaning of *Zadvydas v. Davis*, **David A. Martin**

Privacy and Speech, **Paul Gewirtz**

Chevron's Non-Delegation Doctrine, **David J. Barron** and **Elena Kagan**

as Filters"*

The Challenge of Growing a Rule of Law

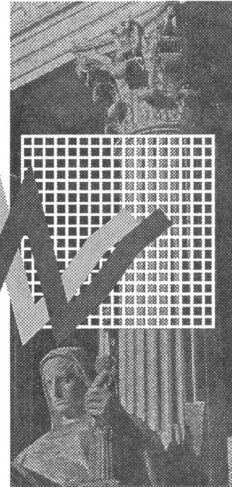

Bernie Black, Stanford University School
of Law, and Anna Tarrasova, Center for
Institutional Reform and the Informal Sector,
University of Maryland

*"Beyond Privatization: Microeconomic and Legal Reform
in Russia"*

Susan Rose-Ackerman, Yale Law School, and Jeff Bowen

*"Partisan Politics and Executive Accountability in
Argentina: A Comparative Analysis"*

Supreme Court Economic Review is a unique interdisciplinary series that applies economic and legal scholarship to the work of the Supreme Court of the United States. Contributors provide an economic analysis of the events that generated the Court's cases, its functioning as an organization, the reasoning the Court employs in reaching its decisions, and the impact these verdicts have on society. Hoping to stimulate interest in the economic dimension of the Supreme Court and to explore solutions to the complex problems it addresses, *SCER* delves far into truly merging law and economics. Its focus on the Supreme Court makes *SCER* an outlet for law and economics analysis that is not available elsewhere.

www.journals.uchicago.edu/JPE

Edited by Fernando Alvarez,
Pierre-André Chiappori, John H. Cochrane,
Steven D. Levitt, Robert E. Lucas, Jr., and Robert Topel

Published bimonthly by the University of Chicago Press

Focus and scope

Since 1892, the *Journal of Political Economy* has brought its readers significant research in economic theory and practice. Publishing analytical, interpretive, and empirical studies, *JPE* offers work in traditional areas of economics—monetary theory, fiscal policy, labor economics, planning and development, micro- and macroeconomic theory, international trade and finance, industrial organization—as well as in such interdisciplinary fields as the history of economic thought, law and economics, and social economics.

History and leadership

Among the leading economics journals, the *Journal of Political Economy* “has acquired an excellent reputation and is one of the top three journals in the field,” according to *Magazines for Libraries*. *JPE*'s longevity is an indication of the confidence that scholars place in this fully peer-reviewed publication. The distinguished editorial leadership of *JPE* is your assurance that you will receive high quality scholarship and broad yet comprehensive coverage of economics.

Technology and scholarship

Your subscription includes access to both paper and electronic editions of *JPE*, making it even easier to remain up-to-date with current research in your field.

Breaking the Cycles of Hatred

Memory, Law, and Repair

Martha Minow

In this powerful and timely book Martha Minow and others ask: What explains cycles of violence and what can break them? Its centerpiece comprises three penetrating essays by Minow. She argues that innovative legal institutions and practices, such as truth commissions and civil damage actions against groups that sponsor hate, often work better than more conventional criminal proceedings and sanctions. Minow also calls for more sustained attention to the underlying dynamics of violence.

A vibrant set of freestanding responses from experts in several fields examines past and potential avenues for breaking cycles of violence.

"This book is an excellent contribution to a newly emerging and potentially very valuable way of thinking about hatred and violence."—Susan Okin, Stanford University
