Citizenship and Community

Liberals, Radicals and Collective Identities in the British Isles, 1865-1931

Eugenio F. Biagini, Editor

This book explores the links between liberalism, social democracy and nationalism within the framework of traditional republican ideals of "civic virtue" and active citizenship. It focuses attention on the regions of Britain, revealing how different forms of collective identity interacted in popular attitudes to political and social debates.

Contributors: E.F. Biagini, M. Pugh, Pat Thane, J. Coffey, G.I.T. Machin, N. Scotland, J. Spain, A. Howe, F. Trentman, G. Greenlee, C. Fitzpatrick, J. Shaw, R. Lewis, Jose Harris

Gender in Mystical and Occult Thought

Behmenism and its Development in England

B.J. Gibbons

This book argues that Behmenist thought is a neglected aspect of the revision in the moral status of women during the early modern period, contributing significantly to the rise of the Romantic notion of womanhood and "Victorian" sexual ideology.

The Journal of Modern History

Significant scholarship and important interpretations of European history from 1500 to the present

John W. Boyer and
Julius Kirshner, *Editors*

Significant scholarship

The *Journal of Modern History* is recognized as the leading American journal for the study of European intellectual, political, and cultural history. The journal's geographical and temporal sweep—the history of the European continent, including Russia and the Balkans, since the Renaissance—makes it unique in its field.

Important interpretations

Combining traditional and innovative ways of writing history, the *JMH* devotes special issues to crucial topics and assesses trends and developments in historiography. As the premier reviewing journal for European history, it presents several major review articles and up to sixty shorter reviews each issue. If your research requires the fusion of social, political, intellectual, and economic history, the *JMH* will enhance your scholarly work.
