

ERRATUM

There is an error in Figure 8 of Hua et al. “Bomb Radiocarbon in Tree Rings from Northern New South Wales, Australia: Implications for Dendrochronology, Atmospheric Transport, and Air-Sea Exchange of CO₂”, *Radiocarbon* 45(3):431–47. The original figure had incorrect latitude and longitude labels; the correct figure is given below. We apologize for this error.

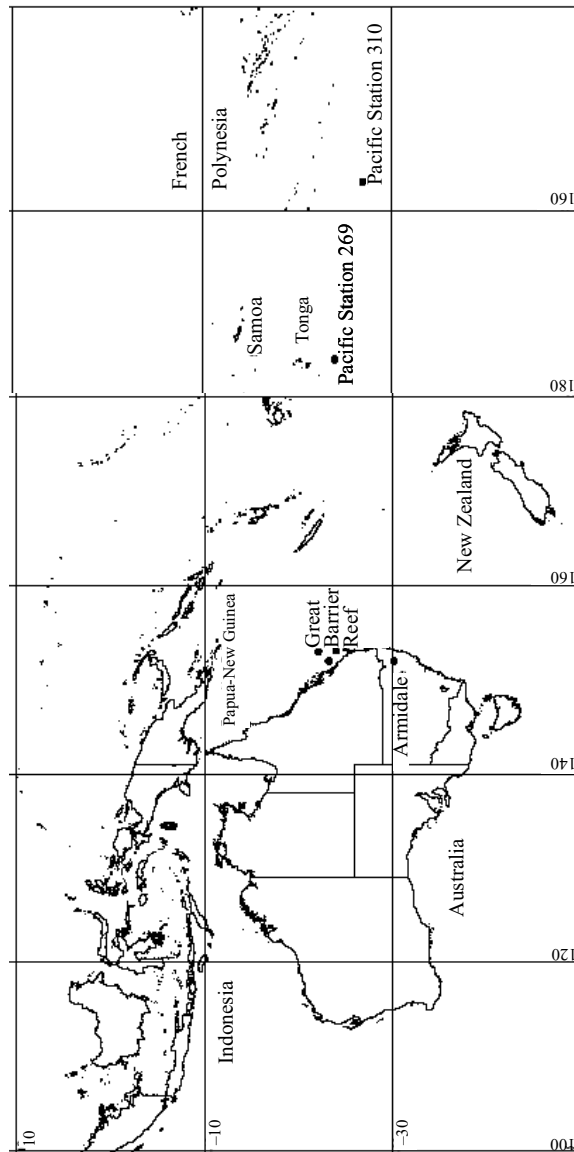

Figure 8 Map of Australia and the Southwest Pacific showing location of the Armidale *Pinus radiata* tree, sites for Great Barrier Reef corals (Heron Island, Abraham Reef, and Lady Musgrave Island), and GEOSECS Pacific stations 269 and 310.
